

Creative Problem Solving

- Encourages HOSA members to analyze the problem solving process and to work as a team to apply their problem solving skills in creating a solution to a hypothetical health or HOSA related problem
- Two rounds of competition:
- Round One will consist of a written test to evaluate the team's understanding of problem solving processes and theories.
- The top scoring teams will advance to Round Two and will be given a potential problem related to HOSA, a health issue or the health community
- Teams will have 30 minutes to analyze the problem
- Selected resource materials related to the problem will be provided
- At the end of the preparation time, teams will have eight (8) minutes to present their solution to a panel of judges

Creative Problem Solving Donald J. Treffinger, Scott G. Isaksen, K. Brian Stead-Dorval, 2023-04-14 Creative Problem Solving is a process that allows people to apply both creative and critical thinking to find solutions to everyday problems. Creative Problem Solving eliminates the tendency to approach problems in a haphazard manner and consequently prevents surprises and or disappointment with the solution. Used by thousands of group leaders seeking a friendly introduction to using Creative Problem Solving, this book is a time honored classic. Creative Problem Solving: An Introduction is based on more than five decades of extensive research, development and field experience in educational settings, businesses and many other organizations. Written for both group leaders and individuals seeking a systematic way to build innovative and effective solutions, Creative Problem Solving is perfect for any type of setting. This definitive guide shows you how to find successful solutions to important challenges. Creative Problem Solving (CPS) can help your students to approach problems and deal with change in a deliberate and constructive way, building their confidence and success in working with complex issues. This revised and updated fourth edition includes easy to follow instructions for using Creative Problem Solving, practical tools for understanding the challenge, generating ideas and preparing for action, expanded guidelines for planning your approach to Creative Problem Solving, strategies that ensure successful group dynamics, the latest trends in creative thinking and group problem solving and practical suggestions for those new to Creative Problem Solving. Educational Resource **Creative Problem-solving Exercise** Talico, Inc, 1987 **Creative Problem Solving** Robert Harris, 2023-05-09 Provides step by step guidance on evaluating and implementing creative problem solving solutions. Ideal for all students who are pursuing careers as decision makers. Defines creative thinking and dispels misconceptions and negative attitudes that prevent students from taking creative approaches to their work. Creativity and Problem Solving Phil Lowe, 1993 This course takes participants through the stages of problem solving and gives them the opportunity to tackle problems from their own work. The aim of this workshop package is to provide participants with an understanding of and opportunity to practice the tools and techniques required for creative and effective problem solving. By the end of the course participants will be able to accurately define the extent and nature of a problem, use creativity technique to generate potential solutions and apply the most appropriate criteria to select the best solution. Fifty Activities for Creativity and Problem Solving Chuck Dufault, Geoff Cox, Walt Hopkins, 1992 Annotation These reproducible activities develop creative thinking, offer new approaches to problem solving and develop innovative approaches to problems that aren't responding to traditional methods. A great resource for new ideas and ongoing needs. Creative Problem Solving A/B David Watson, 1995 Produced for undergraduate units SRD171 and SRD172. Creative problem solving A/B offered by the Faculty of Science and Technology's School of Architecture and Building in Deakin University's Open Campus Program **Toolbox for Creative Problem Solving** Scott G.
