

Steps to Learn IB German Language

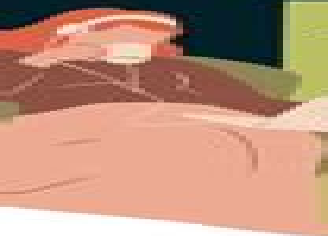

1

You made a habit of reading & listening to the IB German materials as much as possible. Give some extra time to read German news daily and make a habit of it.

2

Give a little time for news so that you become habitual to it. Taking some small steps will take you higher, and your focus on the German language through German contacts will boost your level.

3

You must search for an interesting topic to help you grow your vocabulary. There are so many weekly subscriptions for German magazines to read per week. Reading a set of reputed German journals regularly would be an interesting notion.

4

Growing your German vocabulary would be more effective if you could exchange language with native German or get a tandem partner. A Tandem partner will help you out in many ways. Like making German conversation and speaking those words with which you are unfamiliar.

5

Pay attention to a website like Deutsche Welle, which delivers information slowly. Hire IB German Tuition for additional help.
