All Made Up Rae Nudson,2021-07-13 A fascinating journey through history and culture examining how makeup affects self empowerment how people have used it to define and defy their roles in society and why we all need to care There is a history and a cultural significance that comes with wearing cat eye inspired liner or a bold red lip one that many women feel to this day even if we don t realize exactly why Increasingly people of all genders are wrestling with what it means to be a woman living in a patriarchy and part of that is how looking like a woman whatever that means affects people s real lives Through the stories of famous women like Cleopatra Empress Wu Madam C J Walker Elizabeth Taylor and Marsha P Johnson Rae Nudson unpacks makeup s cultural impact including how it can be used to shape a personal or cultural narrative how often beauty standards align with whiteness how and when it can be used for safety and its function in the workplace to name a few examples Every woman has had to make a very personal choice about her relationship with makeup and consciously or unconsciously every woman knows that the choice is never entirely hers to make This book also holds space for complicating factors especially the ways that beauty standards differ across race class and culture Engaging and informative All Made Up will expand the discussion around what it means to participate in creating your own self image

Contract Law and the Legislature TT Arvind,Jenny Steele,2020-08-06 This volume revisits some of the key debates about the nature and shape of contract law in light of the impact that statutes have had on its development With contributions from leading contract law scholars it fills a significant gap in existing theoretical and doctrinal analyses of contract law which rely primarily on cases to put forward accounts of the general principles and structure of contract law Statutory rules are typically seen as being specific instances of legal regulation that carve out exceptions to these general principles for specific reasons of policy This treatment of these rules has resulted in an incomplete understanding of the nature of contract law and the principles that underpin it By drawing specifically on

contract statutes the volume produces a more complete picture of modern contract law A companion to the ground breaking Tort Law and the Legislature Common Law Statute and the Dynamics of Legal Change Hart Publishing 2012 this collection will have a significant impact on the study of contract law
