Wyllie **The Trial** Franz Kafka,2000 A gripping work of psychological horror in its depiction of bureaucracy run amok Franz Kafka's *The Trial* skirts the line between fantasy and reality This Penguin Classics edition is translated from the German with an introduction by Idris Parry Somebody must have laid false information against Josef K for he was arrested one morning without having done anything wrong From this first sentence onwards Josef K is on trial for his right to exist Once arrested he is released but must report to court on a regular basis an event that proves maddening as nothing is ever resolved As he grows more uncertain of his fate his personal life including work at a bank and his relations with his landlady and a young woman who lives next door becomes increasingly unpredictable As K tries to gain control he succeeds only in accelerating his own excruciating downward spiral Maintaining an atmosphere of unease throughout this chilling thought provoking novel more than any other is infinitely perceptive about the nature of terror and the absurd meaninglessness and futility of human life Franz Kafka 1883-1924 was a Czech born German speaking insurance clerk who despised his job preferring to spend his time writing Nevertheless Kafka published little during his lifetime and ordered his closest friend to burn the mass of unpublished manuscripts now familiar to us as some of the most influential novels and short stories of the twentieth century after his death Kafka's novels all available in Penguin Modern Classics include *The Trial* *The Castle* and *Amerika* If you enjoyed *The Trial* you might like Kafka's *The Castle* also available in Penguin Modern Classics This compelling prophetic novel anticipates the insanity of modern bureaucracy and the coming of totalitarianism Daily Telegraph It is the fate and perhaps the greatness of *The Trial* that it offers everything and confirms nothing Albert Camus **The Trial** Franz Kafka,1995-03-28 For use in schools and libraries only Narrates the experiences and reactions of a respectable bank functionary after his abrupt arrest on an undisclosed charge *The Trial* Franz Kafka,1945 *The Trial* Franz Kafka,2017-11-12 A terrifying psychological trip into the life of one Joseph K an ordinary man who wakes up one day to find himself accused of a crime he did not commit a crime whose nature is never revealed to him Once arrested he is released but must report to court on a regular basis an event that proves maddening as nothing is ever resolved As he grows more uncertain of his fate his personal life including work at a bank and his relations with his landlady and a young woman who lives next door becomes increasingly unpredictable As K tries to gain control he succeeds only in accelerating his own excruciating downward spiral
