2. Who were the Masons?

Masons were some of the Knights Templars – medieval knights who fought to protect the Holy Land from Muslims during the Crusades. They were said to have found a great treasure in the Temple of Solomon... but that treasure has never been seen. Supposedly, they believed the treasure was too great for any one man, even a king, to possess, so they hid it from the world.

5. Who was Timothy Matlack?

According to the movie he was the calligrapher who wrote the official hand-written copy of the Declaration, the very one now displayed in the National Archives, and which the delegates signed. He couldn't read it, he just copied the letters. This was done to keep its contents secret until it was presented and approved by the Continental Congress.

Clough was that he was a merchant, surveyor, architect, stonecutter and gaffer in the American Revolution. A delegate from Pennsylvania to the Second Continental Congress in 1776, he emerged during the Revolutionary period as one of Pennsylvania's most prominent and influential political figures. On July 8, 1776 the Declaration of Independence was approved by the thirteen colonies and on July 19 the Continental Congress ordered that the Declaration be "fairly engrossed on parchment, with the title and stile [sic] of 'The unanimous declaration of the thirteen United States of America,'" and that the same, when engrossed, be signed by every member of Congress." As a clerk to the Secretary of the Continental Congress, Matlack was charged with the task of engrossing the historic document that was indeed signed by the Continental Congress and now stands on display in the National Archives.

6. How many men signed the Declaration of Independence?

According to the movie, 55. But really there were 56 signers.

7. How many Masons signed the Declaration of Independence?

It that was known for sure

8. What does Abigail Chase collect?

George Washington's presidential campaign buttons.

9. How does Ben justify his decision to steal the Declaration of Independence?

Because the very men who wrote it did what was considered wrong (committing treason) in order to do what they knew was right. He believed that the Founding Fathers would have done the same thing in his place. Also, it was the only way to protect the Declaration from fire.
