

Natural Selection Study Guide Answer Key

1. This evidence comes out of the Earth's crust. It is the timeline of past life, organized by estimated ages and classified by similarities in form. What is it?
 - a. genus
 - b. fossil record**
 - c. branching diagram
 - d. natural selection
2. Species producing more offspring than can survive.
 - a. Population
 - b. Variation
 - c. Overproduction**
 - d. Adaptation
3. _____ was the key to developing new species based on what Darwin observed on the Galapagos Islands.
 - a. Reproduction
 - b. Transcription
 - c. Artificial selection
 - d. Reproductive Isolation**
4. The ability of an organism to survive and reproduce in its environment based on the traits they have.
 - a. Evolution
 - b. Natural Selection
 - c. Fitness**
 - d. Survival of the Fittest
5. A characteristic that allows a species to live successfully in its environment is called a _____.
 - a. natural selection
 - b. adaptation**
 - c. niche
6. Organisms that are most fit to their environment will have the best chance of survival.
 - a. Natural Selection
 - b. Evolution
 - c. Survival of the Fittest**
 - d. Extinction
7. The finches on the Galapagos island were similar in form except for variations of their beaks. Darwin observed that these variations were useful for:
 - a. attracting a mate
 - b. defending territory
 - c. building nests
 - d. gathering food**

SCM Studyguide: Philosophy and the Christian Faith Ben Pugh ,2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship
