Email Marketing Simplified Jim Stephens, 2021-04-27 If you've ever asked for information online about a product or service or signed up for an e-list or group membership on the Internet and received a nearly instantaneous response in your e-mail inbox, an autoresponder program was responsible for delivering the reply. Simply put, autoresponders are e-mail programs that send out a preset message in response to every incoming e-mail received. Some autoresponders, like sign-up services for e-groups and forums, are one-shot deals: a single response for every message received. Just about every Internet-based company uses autoresponders for a variety of purposes, from automating tasks that would otherwise take up hundreds of man-hours to building lists and tracking prospective leads. Email Marketing Do You Want to Triple Your Return On Investment

One of the biggest mistakes most marketers do nowadays is think email marketing is dead. Many marketers today drop the email marketing scheme to go with social media. Come to think of it, social media looks much sexier than email. But is a social media post as effective as an email? Before we answer that question, let's state a well-known fact: It is easier to send a friend request on Facebook than to collect an email online. But believe me, email marketing is thrice as worth it as social media marketing. So what is email marketing?

How to Do Bulk Email Marketing

You might be one of those who believe that bulk email marketing is no longer useful on driving web traffic. You are very wrong. Email marketing is a kind of advertising that directly appeals to the prospect buyers, thus it commands attention and will drive sales. The most important thing is to make use of this internet marketing agenda strategically. Scroll to the top of the page and click on the buy button.
