Experimental Lecture By Colonel Spanker:

Experimental Lecture by Colonel Spanker, on the Exciting and Voluptuous Pleasures to be Derived from Crushing and Humiliating the Spirit of a Beautiful and Modest Young Lady, as Delievered by Him in the Assembly Room of the Society of Aristocratic Flagellants, Mayfair Spanker (Colonel),1900 **Experimental Lecture by Colonel Spanker** Anonymous,2011-05-01

In the assembly room of the Society of Aristocratic Flagellants Mayfair Colonel Spanker strives to confirm his thesis that the punishment of a refined young lady produces more exquisite pleasures than flogging lower class women and prostitutes Experimental Lecture by Colonel Spanker is one of the most notorious nineteenth century English flagellant novels Henry Spencer Ashbee s Catena Librorum Tacendorum describes it as the most coldly cruel and unblushingly indecent of any we have ever read it stands entirely alone in the English language Fraxi 1885 250 This edition of Experimental Lecture also includes the full text of The Yellow Room or Alice Darvell s Subjection a late Victorian novella focusing on the delights of birching and the pleasures of cruelty Following the death of her aunt beautiful Alice Darvell is sent to live with Sir Edward Bosmere a stern disciplinarian and devotee of Venus Callipyge who initiates her into the mysteries of the rod The Yellow Room was first published in 1891 The name of the author M Le Comte du Bouleau is a pseudonym Authorship is attributed to an English lawyer Stanislas Matthew de Rhodes 1857 1932 He is also credited with writing Gynecocracy 1893 and The Petticoat Dominant 1898 which are available from Birchgrove Press *Experimental Lecture* Spanker,2014-12-30 Colonel Spanker has one simple proposition that flagellating upper class ladies is immeasurably more pleasurable than committing like acts on those of lower standing and prostitutes Thus for the benefit of those members of the Society of Aristocratic Flagellants our lascivious lecturer decides to put his thesis to the test the subject of said experiment being one extremely unfortunate Lady Ponsonby What follows is positively Sadian as each stroke and spank and poke is told in sumptuously graphic and uncompromising detail Described by the Victorian bibliographer Henry Spencer Asbhee as unblushingly indecent Experimental Lecture is a must have addition for any collection of the flagellatory erotic Those faint of heart and delicate of constitution beware **A Lover's Pinch** Peter Tupper,2018-08-10 A worldwide subculture that influences everything from fashion to advertising sadomasochism has a long and lively history A Lover s Pinch tells the story of consensual sadomasochism from a controversial religious practice to a secretive sexuality branded a perversion The origins of kink and fetish culture have been shrouded in secrecy and myths until now Here Peter Tupper reveals the true story of sadism and masochism dominance and submission From the ancient Christian flagellants to the Fifty Shades trilogy the history of consensual sadomasochism is a story of fascinating individuals unlikely connections and strange twists and turns Meet Arthur Munby the Victorian gentleman who secretly married Hannah Cullwick his maid of all work and called her his slave and Jack McGeorge the UN weapons inspector who was outed as a BDSM club leader just before the Iraq war Explore the links between Robinson Crusoe Uncle Tom s Cabin and modern BDSM pornography and between fetish

fashion and anti Catholic propaganda Learn how the 19th century middle class household nurtured dominant submissive sexuality Discover the secret history of a hidden world Winner 2019 Geoff Mains Non Fiction Book Award NLA International

Clandestine Erotic Fiction in English 1800-1930 Peter Mendes,2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi

A Study of Erotic Literature in England W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marquis de Sade Paris 1927 and Retif de la Bretonne London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation

Gilded Youth James Brooke-Smith,2019-02-02 The British public school is an iconic institution a training ground for the ruling elite and a symbol of national identity and tradition But beyond the elegant architecture and evergreen playing fields is a turbulent history of teenage rebellion sexual dissidence and political radicalism James Brooke Smith wades into the wilder shores of public school

life over the last three hundred years in *Gilded Youth* He uncovers armed mutinies in the late eighteenth century a Victorian craze for flagellation dandy aesthetes of the 1920s quasi scientific discourse on masturbation Communist scares in the 1930s and the salacious tabloid scandals of the present day Drawing on personal experience extensive research and public school representations in poetry school slang spy films popular novels and rock music Brooke Smith offers a fresh account of upper class adolescence in Britain and the role of elite private education in shaping youth culture He shows how this central British institution has inspired a counterculture of artists intellectuals and radicals from Percy Shelley and George Orwell to Peter Gabriel and Richard Branson who have rebelled against both the schools themselves and the wider society for which they stand Written with verve and humor in the tradition of Owen Jones's *The Establishment And How They Get Away With It* this highly original cultural history is an eye opening leap over the hallowed iron gates of privilege and perturbation

A Long Time Burning Donald Thomas, 2024-12-06 Censorship of the written word has proved a constant source for debate and argument To cut or not to cut is a question with a long and fascinating history First published in 1969 *A Long Time Burning* is an account of the political religious and moral censorship of literature in the context of English literary history It is principally concerned with the evolution of a modern pattern of censorship between the abolition of licensing in 1695 and the late Victorian period The author outlines the motives and methods of censorship illustrating these by more detailed discussion of such cases as those involving Edmund Curll John Wilkes Thomas Paine William Hone Richard Carlile William Dugdale and Henry Vizetelly The unofficial trade in banned books and the campaigns of the Proclamation Society the Society for the Suppression of Vice and the National Vigilance Association are described with the aid of some previously unpublished material The book includes an anthology of illustrative material quoting extracts from publications banned at various times and for various reasons Pages from such books as *Venus in the Cloister* are reprinted for the first time in more than two centuries while the other documents range from the Blasphemy Act of 1698 to a prosecution brought under the Race Relations Act of 1965

To Deprave and Corrupt Catherine Scott, 2019-05-27 Thousands have run afoul of Britain's Obscene Publications Act from Victorian erotica presses to 21st century dominatrices At a time when the internet has made sexually explicit material ubiquitous why are British traditional media still regulated by a vaguely worded law from 1857 This comprehensive analysis of obscenity in British culture explores what is considered obscene who gets to decide and how class race and gender inform laws regarding adult content The author describes how obscenity laws disproportionately affect the BDSM subculture the LGBT community and feminist porn performers

Madame Brussels Barbara Minchinton, 2024-07-02 A must read biography of an enigmatic personality who helped shape early Melbourne Madame Brussels the most legendary brothel keeper in nineteenth century Melbourne is still remembered and celebrated today But until now little has been known about Caroline Hodgson the woman behind the alter ego Born in Prussia to a working class family Caroline arrived in Melbourne in 1871 Left alone when her police officer husband was sent to work in remote Victoria

she turned her hand to running brothels Before long she had proved herself brilliantly entrepreneurial her principal establishment was a stone's throw from Parliament House lavishly furnished and catered to Melbourne's ruling classes Caroline rode Melbourne's boom in the 1880s weathered the storm of the depression years in the 1890s and suffered in the moral panic of the 1900s Her death in 1908 signified the end of one kind of Melbourne and the beginning of another in terms of prostitution the city went from tolerance to complete prohibition in her lifetime Drawing on extensive research author and historian Barbara Minchinton deftly pieces together Madame Brussels story and guides readers on a journey through a fascinating colourful period in Melbourne's history This is a major biography of an Australian icon [Bibliography of Forbidden Books](#) - Henry Spencer Ashbee,2007-11-01 In this final volume of the 1877 work that established him as England's leading authority on pornography Henry Spencer Ashbee describes scores of curious uncommon and erotic books that were banned or otherwise prohibited from legitimate sale during the Victorian era Included in this volume are such gentlemen only titles as Intrigues and Confessions of a Ballet Girl The Pleasures of Kissing and Being Kissed and the infamous Memoirs of a Woman of Pleasure This catalog of mostly forgotten works is an invaluable and highly entertaining resource for bibliophiles students of erotica and collectors of Victoriana British book collector travel writer and bibliographer HENRY SPENCER ASHBEE 1834 1900 aka Pisanus Fraxi is thought by some to have authored the notorious Victorian sexual memoir My Secret Life **Sexual Perversions, 1670-1890** J. Peakman,2009-07-30 A fascinating glimpse into the history of sexual perversions and diversions including fetishism cross dressing effeminate men and masculinized women sodomy tribadism masturbation necrophilia rape paedophilia flagellation and sado masochism asking how these sexual inclinations were viewed at a particular time in history *Erotic Literature* Jane Mills,1995-05 **En Virginie** Jean de Villiot,1901 *A History of English Sexual Morals* Iwan Bloch,1936 *Encyclopedia of Censorship* Jonathon Green,Nicholas J. Karolides,2014-05-14 Articles examine the history and evolution of censorship presented in A to Z format **Night's Black Angels** Ronald Pearsall,1975 **Experimental Lecture on the exciting and voluptuous pleasures to be derived from crushing and humiliating the spirit of a beautiful and modest young lady; as delivered by him in the assembly Room of the Society of Aristocratic Flagellants** Colonel Spanker,1900 *How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two* Jon Knowles,2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness

The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Book Two of this two part publication traces the history of sex from the Victorian Era to present day. Interspersed with personal hauntings from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page turner in simple and plain language about how sex got screwed up for millennia. For Knowles, if we know the history of sex, we can get over it.
