Overbuilt American cars are going missing

"Quality is like 1" is how the people who make cars here feel about the quality of their cars. They know it's an average of seven reported problems in the last three months of service. We make and build cars that are built to last.

Leading the way into the future

In the future, Taurus has captured everyone's imagination. It's a car that's not just a car, it's a statement of the future of driving. The world is excited to see what the future has in store.
