Technical Manual United States. War Department, 1945 *The ARRL Operating Manual for Radio Amateurs* Mark J. Wilson, 2007 If you're an active ham radio operator you probably have a story about your first radio contact Many hams remember that experience even more than their first license examination *Good Housekeeping*, 1996 Against Their Will Nigel Cawthorne, 2012-06-19 Real life accounts of harrowing abductions and resilient survivors from the author of *Prince Andrew Epstein Maxwell and the Palace True stories of twisted criminals who hold their victims in endless captivity to satisfy their perverse desires* *Against Their Will* is a comprehensive compendium of the most disturbing kidnappings of all time Jaycee Lee Dugard lived to tell the tale of her eighteen years of captivity in paroled rapist Phillip Garrido's suburban backyard Elizabeth Smart bravely held on for nine long months in a forced marriage to religious fanatic Brian David Mitchell who repeatedly raped her in the name of God Elisabeth Fritzl amazingly overcame twenty four years trapped in a basement dungeon built especially for her by her father Josef Colleen Stan heroically endured seven years as a sex slave brutally tortured with the full consent of her captor's wife Tina Marie Risico escaped certain death at the hands of a killer by being an unwilling accomplice in other kidnappings Not for the faint of heart Series TV *Trade and Industrial Education; Instructional Materials* Ohio State University. Center for Vocational and Technical Education, 1972 *Flying Magazine*, 1984-11 *The End of the Innocence* Lawrence R. Samuel, 2010-08-13 From April 1964 to October 1965 some 52 million people from around the world flocked to the New York World's Fair an experience that lives on in the memory of many individuals and in America's collective consciousness Taking a perceptive look back at the last of the great world's fairs Samuel offers a vivid portrait of this seminal event and of the cultural climate that surrounded it He also counters critics' assessments of the fair as the ugly duckling of global expositions Opening five months after President Kennedy's assassination the fair allowed millions to celebrate international fellowship while the conflict in Vietnam came to a boil This event was perhaps the last time so many from so far could gather to praise harmony while ignoring cruel realities on such a gargantuan scale This world's fair glorified the postwar American dream of limitless optimism even as a counterculture of sex drugs and rock n roll came into being It could rightly be called the last gasp of that dream *The End of the Innocence* Samuel's work charts the fair from inception in 1959 to demolition in 1966 and provides a broad overview of the social and cultural dynamics that led to the birth of the event It also traces thematic aspects of the fair with its focus on science technology and the world of the future Accessible entertaining and informative the book is richly illustrated with contemporary photographs
