The Serpent's Lie Miguel A. Valemburn Jr., It started with a lie the fall of our ancestors

The serpent said their eyes would be opened and they would be as gods but death came instead just as the Creator had warned

Thousands of years later in the time we call Now human beings have forgotten their origin

Our spirits beckon us to seek the truth and confront our past

To do so we must time travel to the very beginning and discover the lie that shaped the reality we now know

The Serpent's Lie was written for anyone who wants to better understand the Biblical book of Genesis

It presents the accounts of Genesis in a thought provoking way showing how amazingly accurate the first book of the Bible is both historically and scientifically

This is a different kind of book that dares to challenge lies and misconceptions concerning our existence and
