scores of exciting personalities that in effect make The Civil War a multiple biography set against the crisis of an age Four years later Lincoln's second inaugural sets the seal invoking charity for all on the Eve of Five Forks and the Grant Lee race for Appomattox Here is the dust and stench of war a sort of Twilight of the Gods The epilogue is Lincoln in his grave and Davis in his postwar existence Lucifer in Starlight So ends a unique achievement already recognized as one of the finest histories ever fashioned by an American a narrative that re-creates on a vast and brilliant canvas the events and personalities of an American epic the Civil War **Catalog of Copyright Entries** Library of Congress.
