Joseph - The Immature Years

- ¹⁶ He called down famine on the land and destroyed all their supplies of food;
 - ¹⁷ and he sent a man before them— Joseph, sold as a slave.
 - ¹⁸ They bruised his feet with shackles, his neck was put in irons,
 - ¹⁹ till what he foretold came to pass, till the word of the LORD proved him true.
 - ²⁰ The king sent and released him, the ruler of peoples set him free.
 - ²¹ He made him master of his household, ruler over all he possessed,
 - ²² to instruct his princes as he pleased and teach his elders wisdom.
 - ²³ Then Israel entered Egypt; Jacob lived as an alien in the land of Ham.
 - ²⁴ The LORD made his people very fruitful; he made them too numerous for their foes,
 - ²⁵ whose hearts he turned to hate his people, to conspire against his servants.
- Psalms 105:16-25

Read Genesis 37 v 1-10

In Hebrew culture sibling order was very important. It was the oldest son who owned the inheritance. Other received only on the good will of their father. It was always the oldest son who took precedence and would head the family. The first-born belonged to God and had to be redeemed with silver.

Where was Joseph in the sibling order?

Benjamin was the last of the brothers but he was quite a bit younger than Joseph, effectively Joseph was the youngest.

What would his place be in the family?

Can you think of any other occasions when God chose the youngest?

Why do you think God chose the youngest? 1 Corinthians 1v27-29

Verse 2 immediately separates Joseph from his brothers.

Why did he bring a bad report about them?

It appears that Joseph was cut from different cloth than his brothers. A lot of what we know about them does not put them in a very good light.

Why was Joseph loved by his father?

Why does Jesus love us ?

We all know of Joseph's 'Coat of many colours' but the Hebrew does not describe the striped jacket most of us assume. The NIV translates it *richly ornamented robe*. This is a good translation. To die a coat may colours would indeed have been an expensive exercise. The important thing is that it was a token of his fathers love and set him apart from his brothers.

Why did his brothers hate him? v11

It is obvious that Joseph's brother thought he was a swell head.

The Perception of Christianity as a Rational

Religion in Singapore Clive S. Chin, 2017-03-23 This book evaluates the common criticism that Christianity in Asia is westernized Since the 1980s Asian evangelical theologians and missiologists argue that the intrusion of Western theology is responsible for the Western and hence alien expressions of Christianity in Asia Yet in Singapore the number of Christians has increased over the last few decades Empirical evidence demonstrates that younger Chinese Singaporeans convert from Buddhism or Taoism to Christianity partly because they perceive it as a rational religion over Buddhism or Taoism which are viewed as irrational or superstitious Not only do many converts favor Christianity as a rational religion but they do not regard Christianity as a Western religion at the point of their conversion What accounts for those recent developments This study explores the processes of modernization and globalization as important factors impacting religious change in Singapore Personal contextual and structural elements actually influence one's religion of choice In facilitating effective mission one must qualify the use of the categories Asian and Western because religious and cultural boundaries overlap What matters most in missiology is discerning how the gospel of Jesus Christ engages the self understanding and lived realities of ethnic and religious others in diverse cultural settings

Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement
through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly
interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and
propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality
and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique
theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the
Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a
direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic
approach that acknowledges how the worldview both strengthens and subverts Pentecostalism
