Composition II was a great experience for me. I have learned many things that I did not have any idea about it. I remember that I used to write just because I had to do it. I was not aware of the mistakes that I made. Now, everything is completely different because I learned the right way to elaborate a paragraph and an essay. I know that at the beginning of the semester, told you that I did not like to write at all. As I went through this subject, I changed my mind because learned to enjoy while writing.

I realized that I can express my ideas, feelings and thoughts through writing. Writing is as living in another world, in my world. Let me tell you that I have learn many things from you not only in English Composition but also in the English levels. I have had the opportunity to take four subjects with you. And I have learned that you are such a great teacher that the most difficult task with you becomes easy. I really want to thank you for being such a comprehensive teacher. You have a nice personality.

I think you are the kind of person who was born to teach because you have been patient while we were learning how to write. I look up to you for having that virtue of patience. You are the kind of person that inspires and encourages people to continue when De path seems difficult. I also thankful for having taken the time to clarify our doubts even when you were busy. Your pieces of advice have been very useful for me because as I followed them, I shaped my writing style. I feel satisfied because of the progress I have made in writing.

There is a big difference between how I used to write and the way I write after taking Composition with you. You have had a big influence in the way I write now. I want to thank you for everything you have taught me. You are an excellent teacher. Let me tell you that I have a special affection for you. You are a very nice person. Definitely, the world needs more teachers Like you. Thank you for making a difference In your students' lives. " It is the supreme art of the teacher to awaken joy in creative expression and knowledge. "

Main Currents in the History of American Journalism Willard Grosvenor Bleyer, 1927

Rethinking Rhetorical Theory, Criticism, and Pedagogy Antonio de Velasco, John Angus Campbell, David Henry, 2016-10-01 What distinguishes the study of rhetoric from other pursuits in the liberal arts From what realms of human existence and expression of human history does such study draw its defining character What in the end should be the purposes of rhetorical inquiry And amid so many competing accounts of discourse power and judgment in the contemporary world how might scholars achieve these purposes through the attitudes and strategies that animate their work Rethinking Rhetorical Theory Criticism and Pedagogy The Living Art of Michael C Leff offers answers to these questions by introducing the central insights of one of the most innovative and prolific rhetoricians of the twentieth century

Michael C Leff This volume charts Leff's decades long development as a scholar revealing both the variety of topics and the approach that marked his oeuvre as well as his long standing critique of the disciplinary assumptions of classical Hellenistic renaissance modern and postmodern rhetoric Rethinking Rhetorical Theory Criticism and Pedagogy includes a synoptic introduction to the evolution of Leff's thought from his time as a graduate student in the late 1960s to his death in 2010 as well as specific commentary on twenty four of his most illuminating essays and lectures **Guide to Transforming**

Teaching Through Self-Inquiry James Pelech, 2013-07-01 In the past twenty years the importance of reflection has been recognized by all professions especially the education profession In the field of education terms and practices such as reflective practice action research journaling collaborative observation professional development peer observation and professional portfolios have become organizing units of discussion and practice This book extends knowledge in the field not just by providing prompts and examples of things to do but also by presenting an organized and cohesive system consisting of definitions principles and guidelines that can be used for all reflective practice activities This system blends ideas and concepts from phenomenology the Constructivist philosophy experiential learning critical reflection theories on turning knowledge into action and transformative learning Moreover the book creates a logical system for reflective practice that provides a foundation for a framework that organizes teacher transformation through reflection This system is anchored by the practical examples provided thus making this book practical for all those interested in improving student learning The strength of this book is that it is not a recipe type publication rather it is a cohesive system which creates a rationale for the system presents the system and provides many examples The intended audience includes practitioners teacher educators teacher candidates and administrators Polemical Pain Margaret Abruzzo, 2011-05-01 In 2008 and 2009 the United States

Congress apologized for the fundamental injustice cruelty brutality and inhumanity of slavery Today no one denies the cruelty of slavery but few issues inspired more controversy in the eighteenth and nineteenth centuries Abolitionists denounced the inhumanity of slavery while proslavery activists proclaimed it both just and humane Margaret Abruzzo delves deeply into the slavery debate to better understand the nature and development of humanitarianism and how the slavery issue helped shape modern concepts of human responsibility for the suffering of others Abruzzo first traces the slow indirect growth in the eighteenth century of moral objections to slavery's cruelty which took root in awareness of the moral danger of inflicting unnecessary pain Rather than accept pain as inescapable as had earlier generations people fought to ease discredit and abolish it Within a century this new humanitarian sensibility had made immoral the wanton infliction of pain Abruzzo next examines how this modern understanding of humanity and pain played out in the slavery debate Drawing on shared moral philosophical concepts particularly sympathy and benevolence pro and antislavery writers voiced starkly opposing views of humaneness Both sides constructed their moral identities by demonstrating their own humanity and criticizing the other's insensitivity Understanding this contest over the meaning of humanity and its ability to serve varied even

contradictory purposes illuminates the role of pain in morality Polemical Pain shows how the debate over slavery's cruelty played a large unrecognized role in shaping moral categories that remain pertinent today *Women and the Periodical Press in China's Long Twentieth Century* Michel Hockx, Joan Judge, Barbara Mittler, 2018-05-24 In this major new collection an international team of scholars examine the relationship between the Chinese women's periodical press and global modernity in the late nineteenth and twentieth centuries The essays in this richly illustrated volume probe the ramifications for women of two monumental developments in this period the intensification of China's encounters with foreign powers and a media transformation comparable in its impact to the current internet age The book offers a distinctive methodology for studying the periodical press which is supported by the development of a bilingual database of early Chinese periodicals Throughout the study essays on China are punctuated by transdisciplinary reflections from scholars working on periodicals outside of the Chinese context encouraging readers to rethink common stereotypes about lived womanhood in modern China and to reconsider the nature of Chinese modernity in a global context *Feminist Ethics* Claudia Card, 1991 Fifteen essays address subjects ranging from the history of feminist ethics to the logic of pluralist feminism and present feminist perspectives on such topics as terrorism bitterness women trusting other women and survival and ethics Paper edition unseen 14 95 Annotation copyrighted by Book News Inc Portland OR **Essays on the Economic Role of Government** Warren J. Samuels, 1992-06-18 This collection of articles examines the fundamental non ideological conceptions and relationships constituting the economic role of government especially in market economies The fundamental concepts include the nature of economic policy and the problem of order in economic affairs *The Historiography of Economics* A.W. Bob Coats, 2013-10-08 This is the third and final volume of collected papers of A W Bob Coats Coats began to collect material for this volume in the years following the publication of the second volume in 1993 but sadly died in 2007 before the work was completed The volume has now been completed under the editorship of Roger Backhouse and Bruce Caldwell Along with his articles the compilation of the volume also reflects Coats' interest in and commitment to book reviews a selection of which have been chosen for inclusion The book also includes a comprehensive bibliography In addition to a preface by Backhouse and Caldwell the volume also reproduces the obituary that was published in *History of Political Economy* a memoir published in 1996 and an interview with Grant Fleming published the previous year Together the introductory materials articles and reviews serve as a fitting tribute to the body of work of Bob Coats *Taste and Experience in Eighteenth-Century British Aesthetics* Dabney Townsend, 2022-06-02 *Taste and Experience in Eighteenth-Century Aesthetics* acknowledges theories of taste beauty the fine arts genius expression the sublime and the picturesque in their own right distinct from later theories of an exclusively aesthetic kind of experience By drawing on a wealth of thinkers including several marginalised philosophers Dabney Townsend presents a novel reading of the century to challenge our understanding of art and move towards a unique way of thinking about aesthetics Speaking of a proto aesthetic Townsend

surveys theories of taste and beauty arising from the empiricist shift in philosophy A proto aesthetic was shaped by the philosophers who followed Locke and accepted that theories of taste and beauty must be products of experience alone Francis Hutcheson David Hume Alexander Gerard and Thomas Reid were among the most important advocates joined by others who re thought traditional topics Featuring chapters tracing its philosophical principles issues raised by the subjectivity of the empiricist approach and the more academic proto aesthetic formed toward the end of the century Townsend argues that Lockean empiricism laid the foundations for what we now call aesthetics
