### Julius Caesar

Julius Caesar lived between 100 BC and 44 BC. Caesar was a Roman army general who became one of the most powerful people in Rome. As a general he conquered many lands and won countless wars. But he refused to take orders from the Roman Senate and started a civil war where he took control of Rome himself.

When he came to power Caesar made many changes in Rome including the creation of the Julian calendar (which is still in use today). He had at least two children including one with Cleopatra, Caesarion. He also had a great nephew, Octavian.

Caesar's changes within Rome angered some powerful people, and they began to work together against him. On the 15<sup>th</sup> March 44 BC, Caesar was killed by a group of senators. After his death, Octavian rose to power after defeating Mark Antony and Cleopatra. This started the era of the Roman Empire. Even today, Caesar is considered by many historians to be one of the greatest military commanders in history.
