Although demonstration and sign-off of any new EPQ at or below the member's current pay grade is not required, the EPQ will be used to develop SWE questions. Rating courses are developed using reference material denoting official policy and/or technical standards. Most reference materials are available online through the Coast Guard Directives System at <http://www.uscg.mil/directives/>. Other reference material may be obtained from the unit's library, TRACEN course writers, CG Institute, or other government sources. A reference material list is located at the end of this document. If any reference material is found to be in contradiction the cited Coast Guard reference shall take precedence.

The Rating Force Master Chief of this occupational specialty is the primary proprietor of these EPQ. The most up to date EPQ revisions are available digitally on the CG Learning Portal at <http://learning.uscg.mil/>. EPQ paper copies are also available from the unit's Education Services Officer (ESO) or Career Development Advisor (CDA).

NOTE: Performance of ET tasks should be completed in an actual work setting whenever possible but may also be performed under simulated conditions.
