Ing Guide Mp3 Player:

2008 AccessWorld Guide to Assistive Technology Products, 2009-06 *Transactional Radio Instruction* Jacob

Udo-Udo Jacob, Margee Ensign, 2020-04-28 This book offers an important addition to the growing literature on education in emergencies In war situations or in the wake of natural disasters children s education is often significantly disrupted This book demonstrates how the authors used radio and mobile technologies to improve educational outcomes for over 20 000 displaced and out of school children in northeast Nigeria at the height of the Boko Haram insurgency Interactive Radio Instruction IRI programs typically interact with a functional classroom teacher However the transactional radio instruction strategy presented provides high quality safe and sensitive education in war torn societies where there are no schools or teachers Summarizing the research and lessons learned from a USAID funded Technology Enhanced Learning for All TELA project in Boko Haram ravaged northeast Nigeria the book describes in detail an education in emergency strategy based on a whole of community approach with radio and mobile tablets at its core Travel Connections Jennie Germann

Molz, 2012-08-06 Living in a world that is increasingly on the move means that many of us now rely on mobile devices social media and networking technologies to coordinate togetherness with our social networks even when we are apart Nowhere is this phenomenon more evident than in the emerging practices of interactive travel Today s travellers are more likely than ever to pack a laptop or a mobile phone and to use these devices to stay in touch with friends and family members as well as to connect with strangers and other travellers while they are on the road New practices such as location aware navigating travel blogging flashpacking and Couchsurfing now shape the way travellers engage with each other with their social networks and with the world around them Travel Connections prompts a rethinking of the key paradigms in tourism studies in the digital age Interactive travel calls into question longstanding tourism concepts such as landscape the tourist gaze hospitality authenticity and escape The book proposes a range of new concepts to describe the way tourists inhabit the world and engage with their social networks in the twenty first century smart tourism the mediated gaze mobile conviviality re enchantment and embrace Based on intensive fieldwork with interactive travellers Travel Connections offers a detailed account of this emerging phenomenon and uncovers the new forms of mediated and face to face togetherness that become possible in a mobile world This book will be of interest to students and scholars of sociology tourism and hospitality new media cosmopolitanism studies mobility studies and cultural studies **Essential LightWave V9: The Fastest and**
