Williams,2021-09-03 This collection of papers and other materials from English philosopher Peter S Williams develops a holistic vision for Christian apologetics centered around a biblical understanding of spirituality Grounded in two decades of practical experience here is a vision of apologetics that s interested in communicating through beauty and goodness as well as logic and arguments

Unlikely Converts Randy Newman,2019-07-30 Rely on the unstoppable power of the gospel not your own words Most Christians have people in their lives who they re sure will never come to faith Whether they re too committed to their sinful ways too angry at God or too quick to shut down any mention of the saving grace of Jesus these long shots don t seem worth approaching But some of the most unlikely converts have the strongest faith stories and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them Randy Newman knows firsthand the discomfort that comes with sharing the gospel He s been tongue tied and timid too But the truth is we don t need to sound like the brilliant charismatic legendary evangelists In this book Randy shares surprising conversion stories straight from those who took the long way around to Christianity He considers current cultural trends that make evangelism more difficult today Then with his characteristic upbeat style he offers practical ways and even exact wording to proclaim the gospel and includes a plan of action In the end *Unlikely Converts* encourages us to remember that while the Great Commission requires us to share the good news it does not require perfection only confidence in the message **Apologetics at the Cross** Joshua D. Chatraw,Mark D. Allen,2018-05-15 2019 Outreach Magazine Resource of the Year Apologetics 2018 The Gospel Coalition Book Award Evangelism rather than anger arrogance and aggression Chatraw and Allen equip Christians to engage skeptics with the heart as well as the mind Conversational in tone and balanced in approach *Apologetics at the Cross* provides a readable introduction to the field of apologetics You ll be informed and equipped for engaging a wide range of contemporary challenges with the best in Christian thought **Jesus on Trial** David Limbaugh,2014-11-17 In *Jesus on Trial* New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal

document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition

Answer With Truth David "Goose" Mills, 2024-06-10 Protect your family from the wolves that seek to lead them away from Christianity with the biblical wisdom in Answer With Truth This powerful book offers short answers to the toughest questions the world can ask revealing the very best of what Christian apologetics has to offer in a concise time saving format David Mills founder and director of Men s Alliance equips busy men with the necessary skills to clearly and confidently represent their beliefs and boldly lead their families To learn more about Men s Alliance go to www.mensalliancetribe.com

Narrative Apologetics Alister E. McGrath, 2019-10-15 The Bible is a narrative the story of God s creation humankind s fall and God s plan of redemption And it is filled with countless smaller stories that teach us about people history and the nature of God It s no surprise that God would choose to reveal himself to us in story after all he hardwired us for story Despite this we so often attempt to share our faith with others not through story but through systems arguments and talking points methods that appeal only to our mind and neglect our imagination and our emotions In this groundbreaking book scholar and author Alister McGrath lays a foundation for narrative apologetics Exploring four major biblical narratives enduring stories from our culture such as Tolkien s The Lord of the Rings and Lewis s The Chronicles of Narnia and personal narratives from people such as Augustine of Hippo and Chuck Colson McGrath shows how we can both understand and share our faith in terms of story

Discipleship in a Post-Christian Age Thiago M. Silva, 2025-05-20 This is an age where Christianity is no longer the assumed foundation of culture Instead secularism relativism and individualism shape how people think live and even approach faith Many within the church have unknowingly embraced a shallow self focused spirituality that offers comfort without transformation How can the church recover a robust life giving vision of discipleship in such a world With a little help from C S Lewis this book offers a way forward Lewis s insights rooted in reason imagination and community speak powerfully to this modern crisis equipping believers to engage both mind and heart Through cultural analysis and biblical wisdom this book calls the church to rediscover discipleship as an intellectual imaginative and relational pursuit one that forms resilient thoughtful and deeply rooted followers of Christ Whether picked up by a pastor church leader or everyday disciple longing for deeper faith this book will challenge and inspire readers to cultivate a Christianity that is not only true but beautiful and compelling in an increasingly post Christian world

The Interface of Science, Theology, and Religion Dennis Ngien, 2019-03-07 In celebration of Alister E McGrath s sixty fifth birthday in 2018 this Festschrift aims to highlight him as a lauded scholar who exemplifies an interface of science theology and religion It comprises works by McGrath s theological allies and colleagues from diverse ecclesial homes

including Graham Ward Oliver Crisp Tony Lane Sung Wook Chung Randall Zachman Veli Matti Karkkainen Jonathan Wilson Jeffrey P Greenman Robert Kolb Sister Benedicta Ward Michael Lloyd Bethany Sollereder and Patrick Franklin Critical but appreciative is the posture with which these contributors engage the wide range of McGrath's own scholarly pursuits and publications This volume edited by Dennis Ngien covers these themes that are central to the life and witness of the church atonement Christology Trinity eschatology mission Reformation science nature culture evangelism and theodicy there is much to ponder and reap here Readers will join with the contributors and pay tribute to McGrath who has risen to a life of significance as a scientist turned theologian professor author Christian apologist and churchman **The Pastor's Library**

Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies **The Old Testament Basis of**

Christian Apologetics Siegbert Riecker, 2019-01-02 Much has been written on apologetics of the Old Testament canon and historicity investigating the Old Testament as an object of apologetics However this study is the first comprehensive investigation focusing on apologetics within the Old Testament i.e. the Old Testament theological foundations of the discipline of Christian apologetics investigating apologetics as an object of the Old Testament Taking seriously the biblical texts at its outset the study presents a biblically based scheme of five types of apologetic strategy narrative apologetics prophetic apologetics wisdom apologetics citatory apologetics as antithetic proclamation and exemplary apologetics It focuses on the many explicit confrontations in dialogues disputes quotes and responses in both prose and poetical form which are accompanied by an indirect dispute taking substantial space within the historical parts of the Hebrew Bible These theological themes are derived from the Old Testament itself not adapted from the New Testament This book serves to fill the gap of a proper biblical theological foundation of the academic field of apologetics It is a new challenge for all apologists who wish to take seriously the biblical theological foundation of their discipline With its sole focus on the Hebrew Bible this study speaks to Jewish scholars as well It enriches the current discussion on Jewish apologetics its beginnings and first developments

Apologetic Opportunism Brian Flamme, **Cultural Contextualization of Apologetics** Matt W. Lee, 2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend

Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul s cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul s world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics communication that is both biblical and practical *Lilies That Fester* John Bossert Brown,2022-12-20 The twentieth century promised much in terms of progress Europe was at peace and America was poised to become a world superpower Certain religious leaders envisioned new programs to help the poor while others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide there have been over one billion unborn children destroyed by abortion There have been seventy three million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship **Pre-Evangelization and Young Adult “Native Nones”** Tamra Hull Fromm,2021-01-19 What motivates American young adult native nones or those who have grown up without a religious background to investigate the Catholic faith What turns them off How do we reach them Tamra Hull Fromm re examines the role of pre evangelization in the contemporary context and presents a micro study of twenty four native nones who chose to investigate the Catholic Church through the Rite of Christian Initiation of Adults RCIA in the Archdiocese of Detroit USA **Tangible** Christopher Sicks,2014-02-27 In today s church there seems to be two well intentioned groups Deed people feed the hungry and help the poor while Word people proclaim the gospel and engage in apologetics The two often seem to compete with one another but God always intended them to be partners Sacrificial love can grab the attention of those we serve opening their ears and minds to the words we share In Tangible author and Pastor Chris Sicks explains how God s people can effectively introduce hurting people to God through intentional acts of kindness This book does more than discuss these good ideas It s full of ways to make God known to the needy in your community today Extra features include A thorough resource section Ministry examples Discussion questions for personal study or group discussion By sharing both words of truth and deeds of mercy God s people will reflect Christ s love the most
