

# Rainforest Similes and Metaphors

Choose from this selection of phrases to add to your descriptive writing about the rainforest.

## Similes

- as broad as a summer bath
- as thick as wet fog
- as colourful as a splashed rainbow
- as damp as deer
- as green as an emerald
- as dark as a storm
- as dense as a ball of string
- as crowded as a city street
- as fragrant as a flower market
- as noisy as a motorway

## Metaphors

- The walls of leaves were impenetrable.
- A snake coiled on a nest of roots.
- The swirl of flowers was a warm embrace.
- Water cascaded through the night.
- The trickle of water was a whisper.
- The sea of green spread out before.
- Wet dog fur floated down through the branches.
- The forest floor was a carpet of earth and roots.
- The sounds of trees was never ending.
- The canopy was a ceiling of moving art.

**The Cosmic Zygote** Peter G. Roe, 1982 A South American Lowland

Cosmological Model    Minnesota School Journal, 1904    **SHAKESPEARE'S HISTORIES** Jeanne Arthur, 2025-01-21

Shakespeare's Histories is a prose translation of Shakespeare's eleven history plays into Standard English. These translations stand on their own so that they may be read quickly and easily, eliminating the need to search for the meaning of every second word of Shakespeare's original text. As well, they are supplemented by explanations of the world in which Shakespeare lived for those who are curious about it. Jeanne Arthur's "Shake Shakespeare's Hand" and "make a friend for life" translations make Shakespeare's texts accessible to the ordinary person by clearing away four hundred years of changes to the English language to reveal the fresh liveliness of Shakespeare's dialogue. She hopes that they will enable the reader or audience member to travel back in time to the history of England that Shakespeare wrote for his own audience and make it live in contemporary Western culture once again for many more people. Some lovers of Shakespeare's writing may object to the idea that his work needs to be translated. However, Jeanne Arthur believes that their love of Shakespeare argues for a translation rather than against one. It is over four hundred years since Shakespeare's death. Not only has the English language evolved since this time, but so has the culture of the world. Making a translation of the language enables us to appreciate more accurately the cultural differences and similarities between us and the world he lived in. With the right help, our imagination is a wonderful tool that can enable us to move freely into the past across cultures and into the future. Drama and other fictional forms exploit this capacity that we have to imagine ourselves anywhere and in any time.

**The Christian Century**, 1931    **An Invisible Universe of Evil** Mark Andrew Cravalho, 1993    **MLA International Bibliography of Books and**

**Articles on the Modern Languages and Literatures** Modern Language Association of America, 2003 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969    **CONCISE DICTIONARY OF METAPHORS AND SIMILIES** EDITORIAL BOARD, 2014-04-09 Most speakers and writers use the terms metaphor and simile as if they mean exactly the same thing. But they are not. A simile is a metaphor but not all metaphors are similes. A metaphor compares two things and does so more directly without using as or like. For example, the shop was a little gold mine. A simile compares usually introduced by like or as two things that are generally not alike such as a line of migrant workers and a wave or onion skins and a swarm of butterflies. Writers and authors use similes to explain things to express emotion or to

make their writing more lively and entertaining Metaphors also offer figurative comparisons but these are implied rather than introduced by like or as Salient Features o Thousands of widely used popular Metaphors Similes in Englishho Inclusion of foreign Metaphors Similes currently in use in English languageo Arranged alphabetically from A Zo Worth recommending without second thoughtAn authoritative Dictionary of Metaphors Similes for students writers and general readers **DK**

**Eyewitness Books The Amazon** DK,2015-06-02 A unique lavishly illustrated e guide to the beauty and diversity of the Amazon the rainforest and the river its flora and fauna and the people who live in the region Applying the award winning DK Eyewitness formula to the subject of the largest and most bio diverse tract of tropical rainforest in the world and the vast river that winds its way through it this title profiles everything from the birds animals and insects that live there to the nine South American countries it extends across

**Kiwi Simile and More! Collection** M. C. Mcnelliis,2015-12-13 I m M C

McNellis Thank you for taking the time to look at my collection Growing up I was one of those kids that asked a lot of questions about the world so I ended up consuming countless issues of National Geographic Magazine Eye Witness Books and the World Book Encyclopedia I read about lots of different subjects rocks glaciers indigenous people and my favorite animals To help me remember the facts and for the pure enjoyment of it I frequently made little illustrated books out of scraps of paper that were held together by tape and staples about whatever creature was interesting me at the time These hand bound books I made as a child are not much different than my current work although my language skills have improved and my renderings are much better Although I ve always enjoyed it reading non fiction can be a chore The dry academic style of writing can be uninteresting and difficult to absorb This can be especially true for young people However when a fun cartoon illustration pertinent to the narrative shows up it can be quite refreshing and makes a particular passage or chapter quite memorable Aside from learning more about the world around me this was and still is my favorite part of reading non fiction So why not make an entire book like that This is exactly how I have been able to successfully combine my love of animals artistic talent sense of humor and habit of using metaphor and analogies in a meaningful way Each book outlines the behavior and characteristics of unique and extraordinary members of the animal kingdom with mostly encyclopedic style text and colorful illustrations Either the text or illustration sometimes simultaneously contain metaphorical devices including puns to make facts more accessible and entertaining for young readers These books can be a fun way to introduce students or adults to reference material Please visit [www.KiwiSimile.com](http://www.KiwiSimile.com) for more information
