Metro Police Intake 2015 Nd 2016:

The Special Constabulary Karen Bullock, Andrew Millie, 2017-07-06 Special constables are warranted officers retained within British constabularies Wearing similar uniforms carrying the same personal protective equipment and holding identical powers to enforce the criminal law special constables are to all intents and purposes indistinguishable from their colleagues in the regular police service However very little is documented about the experiences and motivations of special constables the roles they play in contemporary policing or the impact that they have on the police organisation This book draws together academics and practitioners to provide a valuable insight into historical international and contemporary themes pertinent to the historical development and contemporary operation of the special constabulary. The book critically considers the origins of the special constabulary and the political social and economic factors which led to its evolution over time It compares and contrasts the organisation functions and status of the special constabulary with other auxiliary forces notably from the United States The book also contributes to theoretical understanding of contemporary policing to debates about the roles and operation of the mixed economy of provision and informs policy and practice in the United Kingdom and County Lines Robert McLean, Grace Robinson, James A. Densley, 2019-11-15 This brief sheds light on evolving drug markets and the county lines phenomenon in the British context Drawing upon empirical research gathered in the field between 2012 2019 across two sites Scotland's West Coast and Merseyside in England this book adopts a grounded approach to the drug supply model detailing how drugs are purchased sold and distributed at every level of the supply chain at both sites The authors conducted interviews with practitioners offenders ex offenders and those members of the general public most effected by organised crime The research explores how drug markets have continued to evolve accumulating in the phenomenon that is county lines It explores how such behavior has gradually become ever more intertwined with other forms of organised criminal activity Useful for researchers policy makers and law enforcement officials this brief recommends a rethinking of current reactive policing strategies Inside an African Police Force Jude Kagoro, 2022-10-18 The book discusses police practices in Uganda which are understood as fluid and reflective of the socio political cognitive and discursive contexts within which the Uganda Police Force UPF exist The author was immersed in the UPF both as an ethnographer and a consultant The book demonstrates how police officers navigate clashes between personal interests and those of the UPF shedding more light on the divergences and convergences between policies in theory and policies in practice It contributes to the literature on police research especially to our understanding of policing and the anthropology of the state in Africa It highlights that the Ugandan police engages in political policing and its role is stretched beyond its legal mandate The target audience is twofold first academics interested in police studies and the undercurrents of interface bureaucracies in Africa Second practitioners focused on improving state and police services in African contexts Criminal Litigation 2016-2017 Martin Hannibal, Lisa Mountford, 2016-07-07 This title offers a comprehensive and practical guide to

criminal litigation It weaves together theory and practice making use of case studies to assist students and illustrate how to put their understanding in a practical context Critical Perspectives on Police Leadership Davis, Claire, Silvestri, Marisa, 2020-03-11 In a critical analysis of conventional understanding leading authors Claire Davis and Marisa Silvestri present bold new conceptualisations of police leadership Drawing on empirical research in criminology sociology and leadership studies they present a thoughtful critique of the nature and practice of leadership in contemporary policing The book Critically explores the identities of leaders and their positions within wider organisational structures and processes Provides a critique of contemporary reform to police professionalisation training and education equalities and diversity by situating these developments within wider historical social and political contexts Draws on critical theory to offer an alternative challenging and novel interpretation of police leaders as not simply the result of individual experiences and attitudes but of the social institutional and historical processes of policing and the cultures that exist within it Points towards future directions and a reimagining of leadership in the police Accessible and stimulating this is an essential text for policing students and valuable reading for current leaders and those interested in policing criminology and leadership Justice Peter Joyce, 2017-07-06 This revised and expanded third edition offers a comprehensive and engaging introduction to the criminal justice system of England and Wales Starting with an overview of the main theories of the causes of crime this book explores and discusses the operation of the main criminal justice agencies including the police probation and prison services and the legal and youth justice systems This book offers a lively and critical discussion of some of the main themes in criminal justice from policy making and crime control to diversity and discrimination to the global dimensions of criminal justice including organized crime and the role of the EU Key updates to this new edition include increased discussion of the measurement prevention and detection of crime a revised chapter on the police which discusses the principle of policing by consent police methods power and governance as well as the abuse of power further discussion of pressing contemporary issues in criminal justice such as privatization multi agency working and community based criminal justice policy a brand new chapter on victims of crime key developments in criminal justice policy and the response of the criminal justice system This accessible text is essential reading for students taking introductory courses in criminology and criminal justice A wide range of useful features includes review questions lists of further reading timelines of key events and a glossary of key terms

Women in Policing around the World Venessa Garcia, 2021-03-24 Women in Policing around the World is a historical legal political and social examination of women in policing The book opens with a comparison of cultural definitions of gender and how this affects women s work in general and policing specifically The book then takes the reader through women in policing in the Eastern and Western Hemispheres featuring several countries within the major regions of the world Major commonalities and differences are identified in the areas of recruitment training deployment promotion and violence against women Among the key features of this book is a balanced coverage of historical and timely events that led to the current status of women police in their respective countries. The book identifies the commonalities that women police experience throughout the world relying on the most current research. The book also dedicates coverage of policing violence against women in society as well as within the police organization itself. The author includes tables to allow for national comparisons throughout the book as well as current and historical photos This book is intended for researchers and students of police culture and women in policing It does not rely heavily on one country or region thus allowing for an enlightening international comparison The Safety and Security of Cultural Heritage in Zones of War Or Instability B. Romiti, A. Folliero, 2021-11-04 A nation's cultural heritage represents its past its present and its path to the future but for many years the cultural heritage in or adjacent to war and conflict zones has been subject to continual assault both deliberate and unintended This book presents papers delivered at the NATO Advanced Research Workshop entitled Cultural heritage s safety and security in zones of war or instability hosted online by the University of Rome from 25 to 27 November 2020 NATO has always been a leading player in the protection of cultural property CPP in the areas in which it intervenes indeed the protection of cultural property and common heritage is part of NATO s core values In addition to this the illicit trade in antiquities and archaeological finds represents another danger to cultural heritage and can help to finance the terrorist groups that manage to seize these assets The workshop aimed to explore ways to protect and safeguard cultural heritage in

war zones or from terrorist attacks and a group of international experts were invited to contribute presentations on selected topics of direct relevance to the processes in NATO with regard to CPP Topics included the experiences of international institutions conservation and restoration and countermeasures technologies and examples of successful interventions The book raises awareness of the importance of safeguarding cultural heritage and sets out ways of tackling the problem It will be of interest to all those working in the field of protecting cultural heritage in unstable areas *Cognitive Psychology* Michael W.
