The HiSET is an alternative to the GED test and the TASC test. In some states it is the only acceptable test for earning a high school equivalency diploma. In other states it is just 1 test option out of 2 or 3. To find out whether your state will be using the HiSET for high school equivalency tests visit hiset.org or contact your state's department of education. The previous edition of this book was titled *HiSET Exam Third Edition*.

Roadmap to the AIMS Diane Perullo, 2005-11-08 The Roadmap series has been proven to help students across the country excel on standardized tests and now new editions are available for the Arizona Instrument to Measure Standards AIMS tests. Not only will these guides teach students how to ace the exams but they will also help them improve their math and reading skills so that they can earn higher grades in school. Each book contains two full length practice tests complete with comprehensive explanations for every solution. The lessons are structured like those on the actual AIMS exams plus each book contains an additional 100 practice questions within the lessons.
