You have a time slot between 08:00 and 20:00 on 12 June in which you must complete the PAT. • Please note that <i>The Invigilator App</i> is used for your PAT. • No late submissions are accepted. • All your answers will be answered inside the "quiz" on Canvas using the text boxes. • This is an open book project and therefore all information required during the answering of the PAT can be obtained from any source (including your Canvas modules, explanatory videos or the Internet). • Please do not copy and paste or use someone else's words directly. This includes inserting information from the internet into Google Translate and copying it over just like that. This is all seen as PLAGIARISM. Plagiarism is a serious offense and will not be tolerated. Answers containing plagiarism will not receive any marks. • Read your scenario carefully and highlight important information before answering the questions. • Please remember to keep an eye on your watch to avoid that the time has passed and you are not done yet. • It is in your best interest to watch the discussion video, the Youtube video about the World Heritage Site in Zanzibar and the How-to Videos in preparation for the PAT. • Both learners and parents must take note of the fact that the PAT forms a compulsory part of the subject. • The Practical Assessment Task (Phase 1 and 2) contributes 25% to your annual mark for Tourism, which is a quarter of your final mark at the end of the year. It is therefore extremely necessary to take the PAT seriously because it will make a big difference to your year mark.
