2021-2022 High School Course Description Catalog

How to Register

Current CAI students will register for their classes online through RenWeb. Online registration access will be available to high school students and 8th grade students from **March 8 – April 9, 2021**. You will access class registration through the parent portal of RenWeb. During these registration dates, you may go online and make changes to your requests. After these dates, changes can be made only by contacting Mr. Wilson, Mrs. Davison or Mrs. Burdsall. New students to CAI must register using a Course Request Form. These forms can be picked up from the counseling office and should be returned to Mr. Wilson or Mrs. Davison as soon as possible upon acceptance.

Scheduling Courses

Plan Ahead

1. **READ** the course description **BEFORE** selecting the course to be sure that it fits your needs and interests.
2. **CONSULT** with teachers in specific subject areas for more detailed information, including recommendations for placement in honors courses.
3. **BALANCE** your course selections. Avoid crowding all of your academic courses into your Sophomore and Junior years. Allow yourself the freedom to take elective subjects each year. They are a valuable part of your total education.
4. **REMEMBER** to make certain you have satisfied the prerequisites for courses you wish to take.
5. **SELECT** alternate courses in case it is impossible to get your first choice. Actual course offerings are dependent on sufficient class enrollment.
6. **BE SURE** to take courses which will give you the best possible preparation for your future plans. Take advantage of the offerings available to you.

Know the Requirements

1. Know what the graduation requirements are before you start planning.
2. If you have questions about credits for graduation, college or career entrance, see Mr. Wilson or Mrs. Davison.

Adding/Dropping

High school students will be permitted to withdraw from classes and add additional classes during the first two weeks of a semester with permission. If a student is given permission to withdraw from a class after the second week of a semester, a "WP" or "WF" (withdraw passing or withdraw failing) will be recorded on their transcript accordingly. Withdrawals after the third week of the semester may result in a failing grade. This grade does affect the student's GPA.

Requests for schedule changes should be directed to Mr. Wilson or Mrs. Davison.
