## **Infallibility And Interpretation:**

**Infallibility and Interpretation** R. J. Rushdoony, P. Andrew Sandlin, 2000 The authors argue for infallibility from a distinctly presuppositional perspective That is their arguments are unapologetically circular because they believe all ultimate claims are based on one's beginning assumptions The question of Biblical infallibility rests ultimately in one's belief about the character of God They believe man is a creature of faith not following the enlightenment's humanism of reason They affirm Biblical infallibility because the God Whom the Bible reveals could speak in no other way than infallibly and because the Bible in which God is revealed asserts that God alone speaks infallibly Men deny infallibility to God not for intellectual reasons but for ethical reasons they are sinners in rebellion against God and His authority in favor of their own The authors wrote convinced that only by a recovery of faith in an infallible Bible and obedience to its every command can Christians hope to turn back evil both in today's church and culture

**Illumination and Interpretation** M. X. Seaman, 2013-03-06 The Holy Spirit's ministry of illumination is a commonly misunderstood doctrine both pragmatically and theologically As a result this divine activity is often neglected but it should be recognized that it is indispensable for the hermeneutical endeavor This distinctive work seeks to take an apparently abstract concept and make it concrete by establishing proper categories and definitions for the doctrine of illumination while reemphasizing the cooperation of Word and Spirit In doing so this book treats issues such as the relationship between illumination and other hermeneutical doctrines the accessibility of the Spirit's illumination when interpreting the Scriptures and the question of unregenerate biblical interpretation Accordingly Illumination and Interpretation presents a biblical theological evaluation of the Spirit's work of illumination for the transformative purpose of understanding how to appropriate this vital hermeneutical doctrine into one's faith and practice
