Manual Focus Nikon D60:

Nikon D60 For Dummies Julie Adair King, 2011-03-16 You've decided to upgrade from your old point and shoot by purchasing the compact and economical Nikon D60 an SLR model without all the bulk. Now make the most of your new digital camera by actually learning how to use all those options and settings. Take advantage of external controls and learn how to navigate the camera menus to fully customize internal options so that you can capture sharp and print photographs like a professional. You'll find out how to understand the controls, navigate the menus, choose your settings, access internal options and become familiar with automatic modes. You'll learn to use the Image Quality and Image Size settings which are necessary for both automatic and manual picture taking. Then you can easily express your creativity by managing aperture, shutter speed, ISO, and editing your photographs on a computer. You will download photos and print them to share with your friends and family. You will find out how to Master camera controls. Use automatic and manual modes. Change focus and zoom lenses. Adjust picture quality and resolution. Manipulate exposure and lighting. Work with picture files. Print and share photos. Complete with lists of ten photo retouching tricks from repairing red eye to cropping photos and ten special purpose features you can explore on a rainy day. *Nikon D60 For Dummies* is your one stop guide to taking and sharing the pictures like a pro.

Magic Lantern Guides®: Nikon D60 Simon Stafford, 2009-06-02 Photographers will be happy to see this successor to Nikon's user friendly D40x. Small and light, it's perfect for those moving up from compact digital cameras. And it's better than ever with its enhanced Retouch menu options, new EXPEED digital image processing for refined tone and color, lightning like start up time and Active D Lighting that improves image quality in high contrast conditions. Magic Lantern DVD Guide provides a perfect introduction to the model while the book written by Nikon expert Simon Stafford will take them even more deeply into the camera's every function. **Nikon D60** Corey Hilz, 2012-09-10 Focal Digital Camera Guides. Nikon D60. Just bought a Nikon D60 and looking to combine practical know how with inspiration. This one stop easy to read guide covers all the basic functions of the camera and everything beyond. For the basics turn to the quick start guide which will get you up and running in five minutes. For an understanding of your camera's many controls and features check out the section called The Camera. If all you need is a quick explanation you'll find it. If you're looking for the Whole Story you'll find that too. Settings that affect how your pictures look are accompanied by full color examples that show you exactly what you can expect. This section also covers the camera's menus, playback features, memory cards and power sources. The section called Software shows you how to get the most out of your camera's software. It covers downloading, editing your photos, RAW conversion, storing your images, managing your library and backup strategies to name just a few topics. Ultimately this book's greatest strength isn't its focus on the camera or the software, it's the detailed easy to follow instruction it offers on using your camera to take truly superior photographs. Sections devoted to lenses, subject matter and light cover these variables in depth, always presenting the most effective techniques in the context of the strengths and limitations of the Nikon D60.

Written by a widely acclaimed photographer and photography instructor Nikon D60 shows you how to get the shots you can see in your head but have never been able to capture with a camera The quick start guide will have you taking great photos in five minutes In depth coverage of every feature and control ensures that you have access to the tools you need for every shot Full color examples demonstrate how different settings affect your photos Expert coverage of lenses lighting and subject matter gives you the practical knowledge you need to go after any shot Step by step instructions on photo editing and image management help you get the most out of your camera s software A detailed review of accessories for your camera explains which of these add ons offer the most value for your needs Dozens of tips and tricks prepare you for every situation you re likely to encounter in the field at the studio or at your next wedding or family reunion *Nikon D60 Digital Field Guide* J.
