insightful discussions of such popular novels as *Epitaph for a Spy* A Coffin for Dimitrios *The Light of Day* on which the well known film *Topkapi* is based and *The Siege of the Villa Lipp* among many others Through a book by book explication of Amber's major themes and methods we come to see how his work has changed while remaining always topical As this book cogently argues no novelist has done more to dissolve the boundaries that have separated popular from serious fiction
