

Goodbye, First Grade!

Our first-grade year has come to an end.
We've had so much fun with our teacher and friends.
We've learned to count, read and write.
And made some memories to mount.

We've grown so much, it's plain to see,
From the first day of school till the end.
We've painted, sang, and danced with glee,
And learned how to be a good friend, you and me.

So here's to our first-grade year,
Filled with laughter, learning, and cheer.
We'll miss our teacher and classmates too,
But we'll always remember what we've
learned and grew.

Goodbye first grade, it's time to say farewell,
Our time together has come to an end.
We'll cherish the memories we've made,
And carry them with us like a lifelong friend.

Denmark 1864 Austria 1865 and France 1870 71 Moltke's achievements have become a legacy for modern military strategists. The procedures he developed have been used in all of the wars of the twentieth century; the Persian Gulf War of 1991 may be its most interesting example because they respond to the size, space, time, and technology mandates of industrial mass warfare. This book describes and analyzes these developments in a unique way by using organisational knowledge and learning theory by looking closely at Moltke's life as a professional soldier and by bringing little known research in the field to a wider audience.

Taken from the Paradise Isle Heidi Kim, 2015-07-08. Crafted from George Hoshida's diary and memoir as well as letters faithfully exchanged with his wife Tamae. *Taken from the Paradise Isle* is an intimate account of the anger, resignation, philosophy, optimism, and love with which the Hoshida family endured their separation and incarceration during World War II. George and Tamae Hoshida and their children were an American family of Japanese ancestry who lived in Hawai'i. In 1942, George was arrested as a potentially dangerous alien and interned in a series of camps over the next two years. Meanwhile, forced to leave her handicapped eldest daughter behind in a nursing home in Hawai'i, Tamae and three daughters, including a newborn, were incarcerated at the Jerome Relocation Center in Arkansas. George and Tamae regularly exchanged letters during this time, and George maintained a diary including personal thoughts, watercolors, and sketches. In *Taken from the Paradise Isle*, these sources are bolstered by extensive archival documents and editor Heidi Kim's historical contextualization, providing a new and important perspective on the tragedy of the incarceration as it affected Japanese American families in Hawai'i. This personal narrative of the Japanese American experience adds to the growing testimony of memoirs and oral histories that illuminate the emotional, psychological, physical, and economic toll suffered by Nikkei as the result of the violation of their civil rights during World War II.
