

A Memorial Prayer

By Barbara D. MacAdam

You never looked back, you never complained,
you never let hardship, keep you restrained.

We saw through your eyes, Jesus' wisdom and power.
You showed us God's grace, at its finest hour.

You were humble, and gifted, and patient with me.
You were just who I've always wanted to be.

I asked for your healing, so you'd stay here with me,
but God knew you were tired, so He set your soul free.

Now I won't waste a minute, "wishing" life to be fair.
I'll trust, as you did, in God's answer to prayer.

Please look in my eyes, and see from
my heart. I know you are with me,
although we're apart.

And if you see tears - don't worry
I'm fine. I just feel so special,
that God let you be mine!

Graveside Memorial Service Readings:

Funeral and Memorial Service Readings, Poems and Tributes Rachel R. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion. The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore. This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service. To assist the reader in finding a suitable passage, the book is divided into eleven chapters. There are tributes for mothers, fathers, children, spouses, and soulmates, friends, siblings, and other close relatives, soldiers and victims of war or violence, pets, and general readings appropriate for men, women, or any loved one. These selections will also prove helpful for clergy, counselors, and hospice, hospital, and funeral professionals. Appendices list resources and support organizations, and each selection is indexed by author, title, and first line. A special additional index references pieces by famous uses such as in a film, novel, or celebrity's funeral, so readers can locate a passage they remember from its context. **Law Enforcement Funeral Manual (3rd Ed.)** William P. Sanders, 2019-10-09 This third edition manual is intended to provide law enforcement agencies with a quick and informative reference when the worst occurs: the unexpected death of a departmental member. The material contained herein has been gathered by the International Conference of Police Chaplains from numerous departments and sources. It covers all law enforcement circumstances and protocols and religious beliefs. New to this edition is a section devoted to ethnic communities and death/funeral considerations. Divided into seven sections, the major topics cover preparing for the funeral, basic elements of law enforcement funerals, types of funerals, animal burials, funeral resources, survivor resources, and planning for the future. Police hymns, prayers, and help and supportive agencies are included for departments to use in drafting their own policies and procedures. Particular attention is given to ongoing care for the deceased member's family. A Line of Duty or Serious Injury form is provided as an example for other departments and agencies to use in drafting their own policies and procedures. The very helpful appendices contain a funeral checklist, a personnel debriefings form, and sample Line of Duty Death Department Regulation of Standard Operating Procedure and Model Department Policy. *Using the Book of Common Prayer* Paul Thomas, 2014-08-04 A practical guide to using the Book of Common Prayer without using technical language or assuming prior knowledge. It includes a history and theology of the BCP with practical advice on using its principal services. Preparing a Catholic Funeral Kenneth Koehler, 2012-08-01 In a revised and expanded edition, this simple pamphlet continues to guide us in dealing with death and arranging in advance for funerals. These booklets are often purchased in bulk by institutions to distribute to people of all ages to help them plan final arrangements or to families of the deceased immediately after a death. The original edition was prompted by the death of the author's father upon his passing and pending funeral; no one knew his plans or directives. Since then, scores of clergy, funeral directors, and parishioners have used this guide to address what needs to be done. Common Worship Pastoral Services Church of England, 2005 Contains

Finding Your Way Around Common Worship Mark Earey, 2011-04-29. How do you feel about Common Worship? Are you confident in using its rich offering of prayers, liturgies, collects, and seasonal variations? Or do you sometimes find yourself a little out of your depth, wondering which prayer to use when? If you're the latter, then this is the book for you. Whether you're an ordinand just starting to get to grips with liturgy, a layperson who'd like to understand services better, or a leader who'd like to improve their confidence, here is the ultimate beginner's guide to Common Worship. Assuming absolutely no knowledge of liturgy or Common Worship, it includes a wealth of helpful knowledge. A simple guide to every Common Worship book published, what's in each one, and when you'll need it. Overviews of all the Common Worship services in print, and when you should use them. Things you can change in liturgy, and things you probably shouldn't. The Calendar and Lectionary: what they are, how they work, and how you can calculate dates yourself.

Common Worship: Funeral (standard format) Church House Publishing, 2017-03-30. The Suicide Funeral (or Memorial Service) Melinda Moore, Daniel A. Roberts, 2017-05-16. To our knowledge, nothing with The Suicide Funeral or Memorial Service. Honoring Their Memory, Comforting Their Survivors. Scope and depth has never been published. This is an aid to anyone who will be called upon to do a funeral for the nearly 43,000 suicides in America each year. This book is designed to assist clergy, chaplains, and other faith leaders as they develop sermons and homilies for a funeral service. Its mandate is to help those searching for inspiration, even though they may feel confused or uncertain undertaking such a daunting assignment. Those who plan and lead a funeral service may enable family and friends to understand and participate intentionally in their grief process. Clergy can have a significant impact on how people react to the suicide, as well as provide comfort and assistance to those left behind on their journey through grief. Your leadership will influence how the suicide's bereaved are treated by others in the days, weeks, and months following the death. Because suicide does not

discriminate by race socio economic status or religion a broad range of faiths and denominations are represented in this book s sermons services and perspectives
