

Questions on chapter 9 of *The Great Gatsby* ANSWER KEY

1. Why does Nick say that he was "responsible" for Gatsby?

He says that he was responsible because "no one else was interested."

2. How does Nick feel when he receives the letter from Wolfsheimer?

He says, "I began to have a feeling of defiance, of scornful solidarity between Gatsby and me against them all." In other words, he feels like he is on Gatsby's side against the world.

3. Gatsby's father says, "If he'd of lived, he'd of been a great man. A man like James J. Hill. He'd of helped build up the country." James J Hill was a railroad executive who was nicknamed "The Empire Builder." Do you agree with this assessment of Gatsby? Why or why not?

Students answers will vary; keep the discussion going until they have discussed both sides of the question. Some might say that Gatsby wasn't a great man, just someone who made a lot of money to try to impress a girl. Some might say that Gatsby was a self-made man who pulled himself up from nothing, and since he was young when he died, he could have made something of himself if he had lived longer.

4. Why do you think the schedule that Gatsby made as a boy is included in the novel? What does it show about Gatsby?

Students answers will vary; keep the discussion going until they have discussed a few possible answers. Gatsby's father sees it as a sign that his son was going to be a great success in life; he says, "Jimmy was bound to get ahead. He always had some resolves like this or something. Do you notice what he's got about improving his mind? He was always great for that." Some students might point out that this shows how disciplined and driven Gatsby was, even from a young age. Some might point out that the schedule is an interesting objective piece of information, when everything we have read about Gatsby has been through the perspective of Nick, which is hardly objective.

5. Reread Nick's memory that starts "One of my most vivid memories..." and ends with "I decided to come back home." What time of year does he describe? What were the Nick and the others doing? Quote one vivid description of the landscape or setting.

Nick describes memories of December. They are going back to the midwest for Christmas break and they meet in Union station in Chicago to talk about holiday parties and connect with friends. There are many vivid descriptions of the winter night that Nick saw as he rood through the countryside. Some options that students might choose include "When we pulled out into the winter night and the real snow, our snow, began to stretch out beside us and twinkle against the windows, and the dim lights of small Wisconsin stations moved by a sharp wild brace came suddenly into the air" or "the thrilling returning trains of my youth, and the street lamps and sleigh bells in the frosty dark and the shudders of hell's semaphores thrown by lighted windows on
