The Bible Studies I chose to do came about in answer to the request from my first congregation out of seminary I consistently sought to present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume the study of Luke 9 51 19 27 followed that pattern exactly This volume picks up from the study of Luke 1 1 9 50 and precedes the future volume on Luke 19 28 24 53     *A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church* ,1887     *Kingdomize Me!* Robbie Horton,2010-11 Kingdomize Me reveals kingdom living that God through Christ Jesus and the Holy Spirit is establishing Kingdomization of God s Kingdom on Earth This book will establish or strengthen an understanding of processing perfecting transitioning and tranforming God s people to be kingdomized The aim of kingdomization is for new birth heirship and sonship As citizens of God s eternal kingdom here on earth we will be kingdomized before He returns for His people From civilization to kingdomization includes kingdomizing a people for spiritual subjection for specified service duties actions and deeds The processing and perfecting is for accountability to God A kingdomized life is a life of priorities where daily kingdom living with righteousness are the procedures and developing for a press for a persevering relationship with God and His word As believers of great responsibility accountability and credibility to a precious knowledge of Christ God and the Holy Spirit and the kingdom of God and as workmen of workmanship of the Holy Spirit and of the kingdom of God every transition is a setup for God s transaction and for kingdomizing us The purpose of this book is to crack the code of the mysteries of God It s contents include God and His kingdom to show us what word level we are on the power of God vs the powers that be won over to win and the mystery of kingdomization     A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: The writings against the Manichæans, and against the Donatists ,1887     **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: The writings against the Manichæans, and against the Donatists. Manichaeans and this collection of works are his attempt to combat the growing threat that this religion caused to the rise and growth of the Christian church. The Manichaeans were a dualistic society that focused on the goodness of the spirit and the evil of the material. While basing their belief structure on Mesopotamian Gnosticism, it is hard to say for certain that they were Gnostic themselves. Augustine shows sound arguments to counter the beliefs he reveals in this collection of writings, even going so far as to have a verbal parley back and forth with a leading member of the religious movement, Fortunatus. Now in larger print.

**Nicene and Post-Nicene Fathers First Series, St. Augustine** Philip Schaff, 2007-05-01. The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume IV of the 14-volume collected writings of the Nicenes and Post-Nicenes, first published between 1886 and 1889, readers will find Augustine's writings defending the Catholic church against the Manichaeans and the Donatists. Manichaeism was a religion developed in Persia by the prophet Mani. According to this religion, creation has two parts: darkness and light. Light is God and has ten attributes; opposing this is darkness and its five attributes. Saint Augustine was originally a Manichaean, so his defense of Christianity against this religion comes from a deep understanding of its nature. Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution, which caused a schism in Christianity. In opposing these men, Augustine attempted to mend the rift. Those with an interest in ancient religions will find Augustine's writings on Manichaeism one of the most important historical records of that religion's practices.

**From Missionary To Mercenary** Alvin L. Carpenter, 2005-02-28. From Missionary to Mercenary asks the question of how the Church changed its position of pacifism as practiced for the first 400 years of the Church to becoming the main advocates of war.

**The Writings Against the Manichaeans and Against the Donatists Part I - The Manichaeans Revised** Saint Augustine, **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church, First Series, Volume 4** Philip Schaff, 2022-04-18. Philip Schaff's classic work, colloquially known as The Early Church Fathers, is an invaluable resource filled with the primary documents and early theological building blocks for the Christian church. Comprised of thirty-eight volumes, it is broken into three parts: the Ante-Nicene Fathers and Nicene and Post-Nicene Fathers First and Second Series.
