

JAPAN BITES BACK: DOCUMENTS CONTEXTUALIZING PEARL HARBOR

Japan Bites Back Documents Contextualizing Pearl Harbor

Akira Iriye

Japan Bites Back Documents Contextualizing Pearl Harbor:

Japan Bites Back Joshua Blakeney, 2015-02-05 In September 2014 Joshua Blakeney undertook extensive archival research at the National Diet Library in Japan. The documents he retrieved along with the other essays in this book provide the Japanese side of the argument about the origins of the clash of civilizations that was WWII in Asia. The bolshevization of China, Western meddling in Asia, Soviet infiltration of the White House, U.S. expansionism in the Pacific, the anti-Japanese provocations which spawned the Pearl Harbor operation, and Japan's Pan-Asianist policies are all subjects explored in the book. **Pearl Harbor and the Coming of the Pacific War** Akira Iriye, 1999. Assembling more than thirty primary

documents including proposals, memoranda, decrypted messages, and imperial conference reports, Iriye presents diplomatic exchanges from both American and Japanese perspectives to determine how and why the United States and Japan went to war in 1941. A detailed introduction provides background on Japanese aggression in China and Southeast Asia during the 1930s and economic unrest and isolationism in the United States. Readings add an interpretive dimension, placing Pearl Harbor in global context with essays from American, Japanese, Chinese, Soviet, German, British, and Indonesian perspectives that explain how various countries applied pressure, offered assistance, exacerbated rifts, and significantly affected negotiations and Japan's ultimate decision for war. **What Happened at Pearl Harbor?** Hans Louis Trefousse, 1960

What Happened at Pearl Harbor?, 1968 *The Pacific War Papers* Donald M. Goldstein, Katherine V. Dillon, 2004. By the coauthors of *At Dawn We Slept* and *Miracle at Midway*. World War II Documents CreateSpace Independent Publishing Platform, Various, 2015-12-02. All Americans are familiar with the day that will live in infamy. On December 7, 1941, the Japanese conducted a surprise attack on Pearl Harbor, called Hawaii Operation or Operation AI by the Japanese Imperial General Headquarters. Operation Z, in planning, carried out by the Imperial Japanese Navy against the United States naval base. The attack was intended as a preventive action in order to keep the U.S. Pacific Fleet from interfering with military actions the Empire of Japan was planning in Southeast Asia against overseas territories of the United Kingdom, the Netherlands, and the United States. While everyone is familiar with sights like the USS Arizona's destruction and the USS Oklahoma floating upside down, less are familiar with the documents that immediately preceded the attack, particularly the communications between the American and Japanese governments in the days before the attack. In fact, President Roosevelt offered terms for an agreement to the Japanese in late November and sent a message the day before the attacks while the Japanese famously handed over their official response on December 7, hours after they had already conducted the attack. These historic Pearl Harbor Documents include the Roosevelt Administration's notes to Japan on November 26 and December 6, as well as Japan's famous Fourteen-Point Message delivered to the U.S. on December 7 after the attack had already taken place. *What Happened at Pearl Harbor?* Hans Louis Trefousse, 1960. Pearl Harbor Takuma Melber, 2020-10-22. Hawaii, 7th December 1941, shortly before 8 in the morning, Japanese torpedo bombers launch a surprise

attack on the US Pacific fleet anchored in Pearl Harbor The devastating attack claims the lives of over 2 400 American soldiers sinks or damages 18 ships and destroys nearly 350 aircraft The US Congress declares war on Japan the following day In this vivid and lively book Takuma Melber breathes new life into the dramatic events that unfolded before during and after Pearl Harbor by putting the perspective of the Japanese attackers at the centre of his account This is the dimension commonly missing in most other histories of Pearl Harbor and it gives Melber the opportunity to provide a fuller more definitive and authoritative account of the battle its background and its consequences Melber sheds new light on the long negotiations that went on between the Japanese and Americans in 1941 and the confusion and argument among the Japanese political and military elite He shows how US intelligence and military leaders in Washington failed to interpret correctly the information they had and to draw the necessary conclusions about the Japanese war intentions in advance of the attack His account of the battle itself is informed by the latest research and benefits from including the planning and post raid assessment by the Japanese commanders His account also covers the second raid in March 1942 by two long range seaplanes which was intended to destroy the shipyards so that ships damaged in the initial attack could not be repaired This balanced and thoroughly researched book deepens our understanding of the battle that precipitated America s entry into the war and it will appeal to anyone interested in World War II and military history

What Happened at Pearl Harbor? Documents Pertaining to the Japanese Attack of December 7, 1941, and Its Background. Edited with an Introduction by H.L. Trefousse Hans Louis Trefousse, 1958

Between Incompetence and Culpability Seishirō Sugihara, 1997 This study of the Pearl Harbor attack clarifies the debate in two important ways first it definitively exposes who delayed Japan s notice of war to the United States a serious blunder which stigmatized Japan for launching a premeditated sneak attack and second it examines how the Foreign Ministry has dealt with this blunder from the immediate postwar period to the present Sugihara s aim in both instances is to reevaluate just how costly this error by the Foreign Ministry has been for Japan and to show how its cover up and mishandling have distorted postwar Japanese diplomacy Sugihara demonstrates how the protracted cover up of the bungled war notice to the United States has severely distorted the way Japan understands its recent past Deeply concerned with the Ministry s continuing lack of apology to the United States and the Japanese public for causing the sneak attack he presents its misguided handling of several war related issues such as its role in the portrayal of the Nanking Incident in high school textbooks and its treatment of ministerial visits to Yasukuni Shrine While due credit is given for the Ministry s overdue attempt in November 1994 to address this shameful episode the author suggests future directions for Japanese diplomacy and delivers a strong moral message about diplomacy and justice Significantly Sugihara s is the only extensive analysis in English that exploits newly declassified documents concerning the suppressed 1946 internal Foreign Ministry investigation of the blunder Under mounting public pressure the Ministry in November 1994 made these materials public and they reveal for the first time precisely when Ministry officials determined whose negligence had caused the delay at Japan s Washington

embassy Critically the author shows that the ultimate blame for the drawn out concealment of these documents lies with former prime minister Shigeru Yoshida whose shameless protection of Katsuzo Okumura and Sadao Iguchi the embassy officials responsible for
