Hollywood or History? Lisa K. Pennington,Donna Fortune,Mary E. Tackett,Paige Horst,Meghan A. Kessler,2024-09-01 Teaching and learning through Hollywood or commercial film and television productions is anything but a new approach and has been something of a mainstay in the classroom for nearly a century However purposeful and effective instruction through film is not problem free and there are many challenges that accompany classroom applications of Hollywood motion pictures In response to the problems and possibilities associated with teaching through film we are developing a collection of practical classroom ready lesson ideas that might bridge gaps between theory and practice and assist teachers endeavoring to make effective use of film in their classrooms We believe that film can serve as a powerful tool in the social studies classroom and where appropriately utilized foster critical thinking and civic mindedness The NCSS College Career and Civic Life C3 framework represents a renewed and formalized emphasis on the perennial social studies goals of deep thinking reading and writing We believe that as teachers endeavor to digest and implement the platform in schools and classrooms across the country the desire for access to structured strategies that lead to more active and rigorous investigation in the social studies classroom will grow increasingly acute Our hope is that this edited book might play a small role in the larger project of supporting practitioners specifically K 6 teachers of social studies content by offering a collection of classroom ready tools based on the Hollywood or History strategy and designed to foster inquiry through the careful use of selected motion pictures and television productions *Reporter* Chicago Principals Club,1954 **Strategic Journeys for Building Logical Reasoning, 6-8** Tammy Jones,Leslie Texas,2016-07-07 Help your students develop logical reasoning and critical thinking skills This new book from bestselling authors and popular consultants Tammy Jones and Leslie Texas offers authentic logic building activities and writing strategies that can be used across all subject areas in grades 6 8 Filled with hands on activities and photocopiable tools Strategic Journeys will help you guide your students into deeper thinking to go beyond the surface of content to true understanding Topics include Identifying opportunities for students to engage in meaningful and relevant writing across the content areas Introducing a logical reasoning process questioning structure and bridging models to allow students to delve deeper into problems Incorporating literature to increase student engagement and make content come alive for your students Building vocabulary and literacy skills through fun activities aimed at increasing proficiency Using the Three Phases of Logical Reasoning to plan lessons effectively help students reflect on their progress
