Women's Access to Justice in Africa J. Jarpa Dawuni, 2022-10-17 Intersectionality and Women's Access to Justice edited by J Jarpa Dawuni propounds layered intersectionality as a paradigm for examining how gendered factors affect women's access to justice whether as judges or litigants Through intersectional and decolonial frameworks the contributors analyze the lived experiences of women and their access to justice by situating the courtroom as both a spatial and a temporal arena for seeking justice as litigants and for seeking access to the bench as judges This book examines patterns of mutually reinforcing discriminatory practices that women share based on common gender identities and depending on which identities are at play at a given point in time in both traditional and statutory courts The book provides recommendations for various justice sector providers

Arbitration and Contract Law Neil Andrews, 2016-04-18 This book deals with the contractual platform for arbitration and the application of contractual norms to the parties dispute Arbitration and agreement are inter linked in three respects i the agreement to arbitrate is itself a contract ii there is scope subject to clear consensual exclusion in England for monitoring the arbitral tribunal's fidelity and accuracy in applying substantive English contract law iii the subject matter of the arbitration is nearly always a contractual matter These three elements underlie this work They appear as Part I arbitration is founded on agreement Part II monitoring accuracy Part III synopsis of the English contractual rules frequently encountered within arbitration The book will be a useful resource to foreign lawyers or English non lawyers English lawyers seeking a succinct discussion and to arbitral tribunals "Code of Massachusetts regulations, 2011", 2011 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020

Gender and the Judiciary in Africa Gretchen Bauer, Josephine Dawuni, 2015-10-30 Between 2000 and 2015 women ascended to the top of judiciaries across Africa most notably as chief justices of supreme courts in common law countries like Ghana Nigeria Sierra Leone Gambia Malawi Lesotho and Zambia but also as presidents of constitutional courts in civil law countries such as Benin Burundi Gabon Niger and Senegal Most of these appointments was a first in terms of the gender of the chief justice At the same time women are being appointed in record numbers as magistrates judges and justices across the continent While women's increasing numbers and roles in African executives and legislatures have been addressed in a burgeoning scholarly literature very little work has focused on women in judiciaries This book addresses the important issue of the increasing numbers and varied roles of women judges and justices as judiciaries evolve across the continent Scholars of law gender politics and African politics provide overviews of recent developments in gender and the judiciary in nine African countries that represent north east southern and west Africa as well as a range of colonial experiences postcolonial trajectories and legal systems including mixes of common civil customary or sharia law In the process each chapter seeks to address the following questions What has been the historical experience of the judicial system in a given country from before colonialism until the present What is the current court structure and where are the women judges justices magistrates and other women located What are the selection or appointment processes for joining the bench

and in what ways may these help or hinder women to gain access to the courts as judges and justices Once they become judges do women on the bench promote the rights of women through their judicial powers What are the challenges and obstacles facing women judges and justices in Africa Timely and relevant in this era in which governmental accountability and transparency are essential to the consolidation of democracy in Africa and when women are accessing significant leadership positions across the continent this book considers the substantive and symbolic representation of women s interests by women judges and the wider implications of their presence for changing institutional norms and advancing the rule of law and human rights
