Managerial Economics Objective Questions And Answers:

Managerial Economics Vanita Agarwal, 2013 Business schools both at undergraduate and postgraduate levels worldwide and in India now ensure that students undertake suitable courses in economics. The purpose of teaching Managerial Economics is to equip business students with the ability to deliberate logically and critically the challenging process of framing business strategies later on in their careers. Managerial Economics caters to these needs in the Indian context in a detailed manner. MANAGERIAL ECONOMICS, Third Edition NADAR, E. NARAYANAN, VIJAYAN, S., 2020-06-01

Managerial Economics has assumed a predominant role in today's globalized and liberalized economy because of the financial implications of many decisions that a manager has to take in his day to day professional life. This comprehensive and student friendly book strives to equip the young practising and budding managers to find solutions to the real world problems through the efficient and effective use of economic tools and techniques. The authors who admirably combine academic and professional experience give a clear and straightforward analysis of the various topics in managerial economics. The text begins with an overview of managerial economics and describes the modern business firm and its objectives along with the concepts of market mechanism, demand theory and production analysis. The text then moves further to explain managerial techniques, macroeconomic theory and international trade and finance along with the risks and uncertainties involved in business. Besides it also explains the cost and revenue, supply pricing, profit and investment analyses. Finally, this book discusses some important Case Studies to reinforce the concepts presented in the text. The third edition of the book comprises multiple choice questions with answers at the end of each chapter to test the understanding of the concepts discussed in the chapter. Besides the objectives, strategies and initiatives of the twelfth five year plan 2012-2017 of Planning Commission as well as a new section on Replacement of Indian Planning Commission with NITI Aayog have been incorporated in the chapter on Macroeconomic Analysis. Intended as a text for postgraduate students of Management, Commerce and Economics, the book would also be useful for undergraduate engineering courses where Managerial Economics is offered. Finally, the book can be profitably used by marketing and management consultants, business executives and other related professionals.

KEY FEATURES Includes several simple numerical examples with solutions for easy understanding of theory. Contains a large number of tables and figures to illustrate the concepts. Provides chapter end exercises to check students' comprehension of the subject.
