Accounting Information Systems Arline A. Savage, Danielle Brannock, Alicja Foksinska, 2025-09. Many students may find it difficult to understand how an accounting information systems (AIS) course relates to their idea of what an accounting professional does. It's not until they enter their careers that they see the value of concepts learned in an AIS course. Our goal is to present you with a view of AIS that strongly aligns the concepts in this course with your other accounting coursework while practically preparing you for your future accounting career. Current accounting professionals designed this course for future accounting professionals and that means you.
