"Granny's Chapters" - on Scriptural Subjects. (First, Second Series.). Lady Mary Ross, 1871 **1 & 2 Kings** Lynn Jost, 2021-11-02 Violence on the streets Military expansion Consumerism Policies exploiting people and natural resources Harassment and abuse 1 2 Kings could hardly be more relevant In the thirty fourth volume of the Believers Church Bible Commentary series Old Testament scholar Lynn Jost claims 1 2 Kings were written to form a community that would embrace the Ten Commandments and the Great Shema and would champion righteousness and compassion Jost traces the characteristics of royal justice with its systems of excess and indulgence as well as the court intrigue succession politics interfamily rivalries and prophetic judgment that mark the books Through it all Israel remains in a covenant relationship with a delivering God Through it all God calls the leaders and the people to practice justice protect shalom and live righteously In vivid and accessible prose Jost invites pastors scholars and lay readers to read 1 2 Kings as books of promise ones that gesture toward a faithful God who rescues judges commands and provides About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Foreword PRAYER STUDY COURSE SERIES ISAAH MACWEALTH, For hundreds of years the subject of prayer has been one with divergent views opinions and ideologies one that has engendered great dissention in the body of Christ with respect to its methodology and practices However what cannot be denied is the timeless passion and ageless desire in every man to communicate with a higher power and to initiate changes in every area of life This desire in man can be expressed in and through prayer but what is prayer Is prayer just talking to God as popularly defined If prayer is simply talking to God what would we call casting out devils and binding Satan Despite the fact that many people seem to pray why are so few getting the results Are there principles or rules that guide prayer Are there factors that hinder effectivity in it This book does not only seek to answer these questions above but to introduce new concepts in prayer that will create new prayer experiences It also seeks to explore the concept of prayer with the intention to break previous erroneously established boundaries that hinder its effectiveness and to equip the end time believer with the necessary understanding and light required for an effective prayer life and to ultimately equip the church in enforcing its rights and privileges in the place of prayer My heart desire for you as you read this book is that a fresh understanding and passion for prayer will be birthed in your spirit and that you will take your place in prayer for the body of Christ thus fulfilling the ministry of our Lord Jesus Christ on the earth Amen **Old Testament Narrative** Jerome T.
