Egerton University May 2015 Intake:

Thus Until Emilia Ilieva, Reuben Matheka, 2025-08-04 *Thus Until* A History of Egerton University is a thorough historical chronological and well researched account of Egerton University from a whites only college when it started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of the time especially since the double intake of the 1990s Chapter One provides the required background to the study highlighting agricultural and educational policies and steering away from the Happy Valley hype so characteristic of the period The reader will learn about the Egerton family in Chapter Two and particularly about Lord Egerton himself and the colonial circumstances within which he lived The chapter dispels some of the popularly held myths about him Chapter Three deals with the beginnings of the college and the various structural and curriculum experiments tried out and the kind of enrolment and students it experimented with as an all white establishment The chapter ends with Africans beginning to agitate for change With great attention to detail the later chapters put the university in a broader local and international context thereby increasing its relevance to society A History of Egerton University though heavily footnoted and with a detailed bibliography is written in a simple easy flowing and accessible style

[Demand for aflatoxin-safe maize in Kenya: Dynamic response to price and advertising](#) Hoffmann, Vivian, Moser, Christine, Herrman, Timothy, 2019-01-03

This paper characterizes consumer demand for food safety and the dynamic impact of a social marketing campaign to promote a tested third party verified maize flour in Kenya where dietary exposure to the fungal toxin aflatoxin is a major public health concern Consumption of high levels of aflatoxin can be fatal but this is relatively rare Of greater concern is chronic exposure which has been linked in numerous studies to liver cancer and may also contribute to child stunting A significant proportion of the maize consumed in Kenya where it is the primary dietary staple fails to meet regulatory

standards One study reported widely in the Kenyan press found that 65% of maize samples collected from 20 major millers did not meet the national standard Gathura 2011 and another based on over 900 samples collected from retailers found that 26% of branded maize flour was above this standard Hoffmann and Moser 2017

[A History of the Literature of the U.S. South: Volume 1](#) Harilaos Stecopoulos,2021-05-20 A History of the Literature of the U S South provides scholars with a dynamic and heterogeneous examination of southern writing from John Smith to Natasha Trethewey Eschewing a master narrative limited to predictable authors and titles the anthology adopts a variegated approach that emphasizes the cultural and political tensions crucial to the making of this regional literature Certain chapters focus on major white writers e g Thomas Jefferson William Faulkner the Agrarians Cormac McCarthy but a substantial portion of the work foregrounds the achievements of African American writers like Frederick Douglass Zora Neale Hurston and Sarah Wright to address the multiracial and transnational dimensions of this literary formation Theoretically informed and historically aware the volume s contributors collectively demonstrate how southern literature constitutes an aesthetic cultural and political field that richly repays examination from a variety of critical perspectives
