Writing Inspiring Children Aged 7 11 offers innovative and exciting ways to engage children in non fiction writing giving
professionals the confidence and practical advice that they need to support children in producing quality non fiction texts in
the classroom Packed full of interesting ideas resource suggestions and practical activities the book explores the various
ways professionals can purposefully encourage child authors to develop their non fiction writing skills Tried and tested
resources Gold star tips and practical suggestions are underpinned by research informed teaching strategies and academic
information to strengthen professional practice associated with the teaching of non fiction writing By taking a stimulating
approach to each text type and linking activities to known texts and stimuli the book offers differentiated advice for working
with children in Lower and Upper Key stage 2 Chapters consider text types that include Instructions Persuasive texts Non
chronological reports Correspondence texts Discussion texts This new text is the perfect guide for inspiring children aged 7
11 in the classroom and will energise and enrich classroom provision and practice by being an essential resource for teachers
and students on teacher training courses Eyewitness: The rise and fall of Dorling Kindersley Christopher
Davis,2009-06-30 By the close of the last millennium Dorling Kindersley had become one of the most recognisable brands in
publishing Across the range of illustrated household reference titles from children s books to travel guides its distinctive look
of colourful images cut out against a white background could be seen on bookshelves throughout the country and indeed the
publishing world Apart from three minor acquisitions DK had grown organically over 25 years to be a publicly listed company
with a turnover of 200 million some 1500 employees publishing arms across the English language markets a 50 strong
international sales force that dealt with more than 400 publishers a direct selling business with 30 000 independent
distributors and had expanded its skills for delivering handsomely designed reference books into the new media of videos CD
ROMs and online educational content Then a series of catastrophic printing decisions brought the company to its knees and
ultimately into the arms of Pearson Christopher Davis is uniquely positioned to tell the story of DK s rise and fall He joined

the company at its foundation and in due course became Group Publisher The narrative he provides is a dual one encompassing the visionary genius of Peter Kindersley and the publishing revolution he fomented and charting the remarkable sometimes precarious frequently hilarious roller coaster ride as the company grew from a handful of people in a studio in South London to a substantial global business In the rapidly changing publishing climate of today this book is also a nostalgic reminder of a time when creativity could flourish unburdened by the shackles of corporate bureaucracy
