

End of School Letter to Students

I'm glad I was your teacher,
I've come to love you so.
I can't believe the end is here,
I hate to see you go.
Remember all the fun we had
in all the things we did.
But most of all, remember...
You're a VERY special kid!

Teacher Accused Stephen Wzorek, 2012-11 This story I am writing is true about a teacher and a family who have been tormented by corrupt lawmakers an irresponsible educational administration and ill trained police detectives in the investigation of abuse involving autistic children Many of the names of the people towns and organizations in this writing have been changed for obvious reasons This story is about my family This entire episode has taken a toll on my family and me for many years I am not quite sure if it is revenge that I desire or just the idea that I want everyone to know the truth It is my expectation that there just has to be someone who would take a good look at those individuals in the educational administration and law enforcement fields who are abusing their authority in pretending to carry out their obligations I can t believe our forefathers meant for the lawyers judges and others in the legal authority to utilize the legal system in the way I will demonstrate to you in this writing I find it amazing that the legal entities in our area seldom seem to have a real balance for truth It doesn t matter what the actual facts are in a legal case What matters is who has the power to persuade the activities in their favor toward the end result Regrettably too many times it is the innocent who suffer
