

The Great Depression and New Deal
U.S. History—Unit 7
State Content Standard 11.5, 11.6

The late 1920s and 1930s: The economic, social, and political causes of the Great Depression will be looked upon, and the solutions that were offered such as the New Deal.

Pages: From *America's Journey*—pages 240-269, Chapter 10, the green book *The Americans*—pages 428-539, chapter 12-15

Guiding Questions. You need to answer these questions on paper. They will appear on the test in the form of multiple choice, T/F, matching, and occasionally essay questions.

1. What triggered the Great Depression?
2. What were the main achievements of the early New Deal? Relief programs and their achievements?
3. Which economic and social reforms made up the Second New Deal?
4. What impact did New Deal programs have on women and minorities?
5. What are the positive and negative outcomes of the New Deal?
6. How did the role of the federal government change in the 1930s?

Identify the following. Make sure to explain their significance.

- | | |
|----------------------------|--|
| 1. Hawley-Smoot Tariff Act | 8. TVA |
| 2. AFL-CIO | 9. fireside chats |
| 3. deficit spending | 10. Hoovervilles |
| 4. Federal Reserve Bank | 11. securities and exchange commission |
| 5. FDIC | 12. Congress of Industrial Organizations |
| 6. WPA | |
| 7. Social Security | |

Snapshot Bios—Key players. Write 3-5 sentences on the importance of each person. Make sure to give important events in which the person was involved.

- | | |
|-----------------------|-------------------------|
| 1. Huey Long | 5. Eleanor Roosevelt |
| 2. Frances Perkins | 6. John Steinbeck |
| 3. Herbert Hoover | 7. Father Coughlin |
| 4. Franklin Roosevelt | 8. Dr. Francis Townsend |

Era and Events. Write a timeline with descriptive information & facts about the ideas, events, people, and times.

- | | |
|-------------------------|---------------------------------------|
| 1. The Great Depression | 7. AAA |
| 2. Dust Bowl | 8. Second New Deal |
| 3. New Deal | 9. Roosevelt's "court packing" scheme |
| 4. Wagner Act | 10. NIRA |
| 5. Bonus Army | |
| 6. Black Tuesday | |

Great Depression And New Deal Answers

Great Depression And New Deal Answers:

Great Depression and New Deal DBA Social Studies School Service,2001 **The Great Depression** Robert S. McElvaine,1993-12-06 One of the classic studies of the Great Depression featuring a new introduction by the author with insights into the economic crises of 1929 and today In the twenty five years since its publication critics and scholars have praised historian Robert McElvaine s sweeping and authoritative history of the Great Depression as one of the best and most readable studies of the era Combining clear eyed insight into the machinations of politicians and economists who struggled to revive the battered economy personal stories from the average people who were hardest hit by an economic crisis beyond their control and an evocative depiction of the popular culture of the decade McElvaine paints an epic picture of an America brought to its knees but also brought together by people s widely shared plight In a new introduction McElvaine draws striking parallels between the roots of the Great Depression and the economic meltdown that followed in the wake of the credit crisis of 2008 He also examines the resurgence of anti regulation free market ideology beginning in the Reagan era and argues that some economists and politicians revised history and ignored the lessons of the Depression era **New Deal** Sebastian Farnham,AI,2025-03-21 New Deal explores Franklin Delano Roosevelt s response to the Great Depression examining whether his policies truly rescued America or paved the way for an overreaching government The book analyzes the multifaceted programs like the AAA NRA WPA and CCC assessing their short term effectiveness and long term consequences on American governance and economic recovery A key focus is understanding if the New Deal offers a successful model for government intervention during crises or if it created unintended challenges through expanded federal power The book delves into the desperate circumstances of the 1930s marked by widespread unemployment and bank failures before systematically examining each phase of the New Deal Relief Recovery and Reform Quantitative data on employment and government spending is used alongside qualitative evidence like personal accounts providing a nuanced understanding of the human impact Ultimately the book offers a balanced assessment of the New Deal s legacy moving beyond simplistic narratives to provide a fresh perspective on its successes and failures Studies in World History Volume 3 (Teacher Guide) James P. Stobaugh,2014-04-01 Teacher guides include insights helps and weekly exams as well as answer keys to easily grade course materials Help make your educational program better use a convenient teacher guide to have tests answer keys and concepts An essential addition for your coursework team your student book with his convenient teacher guide filled with testing materials chapter helps and essential ways to extend the learning program **"Answer at Once"** Katrina M. Powell,2009-10-09 With the Commonwealth of Virginia s Public Park Condemnation Act of 1928 the state surveyed for and acquired three thousand tracts of land that would become Shenandoah National Park The Commonwealth condemned the homes of five hundred families so that their land could be donated to the federal government and placed under the auspices of the National Park Service Prompted by the condemnation of their land the residents began writing

letters to National Park and other government officials to negotiate their rights and to request various services property and harvests Typically represented in the popular media as lawless illiterate and incompetent these mountaineers prove themselves otherwise in this poignant collection of letters The history told by the residents themselves both adds to and counters the story that is generally accepted about them These letters are housed in the Shenandoah National Park archives in Luray Virginia which was opened briefly to the public from 2000 to 2002 but then closed due to lack of funding This selection of roughly 150 of these letters in their entirety makes these documents available again not only to the public but also to scholars researchers and others interested in the region s history in the politics of the park and in the genealogy of the families Supplementing the letters are introductory text photographs annotation and oral histories that further document the lives of these individuals

FDR's Long New Deal Robert E. Wright, 2024-10-28 During his presidency FDR led the American public to believe that the US government could set policy that would transform the economy This book argues that this assumption which ultimately became embedded into the general American psyche has impacted our economy today in more ways than one Robert E Wright breaks down the negative societal impact of the New Deal throughout this book The chapters highlight the lasting influence of these policies providing new perspectives and never before seen archival research related to FDR s policies The book provides insight into how assumptions of governmental intervention in the economy have shifted the direction of the economy over time It also dives into socioeconomic topics related to social justice critiquing the New Deal in its original and historical contexts Wright brings a long term public choice perspective to the New Deal providing interdisciplinary insights into socioeconomic topics such as gender race and climate The resulting book is ideal for those interested in economics American history law and policy

American Government Scott F. Abernathy, 2017-01-03 Real People Real Stories Real Politics Politics involves people from many backgrounds struggling to make their voices heard Real people telling their stories reflect our ideals choices and collective experiences as a nation In *American Government: Stories of a Nation* author Scott Abernathy tunes in to these voices showing how our diverse ideas shape the way we participate and behave the laws we live by and the challenges we face Each chapter features real stories illustrating how the American political system is the product of strategies calculations and miscalculations of countless individuals Students learn the nuts and bolts of political science through these compelling stories Learning concepts in context is a tested learning technique that works to help ideas stick The key concepts are memorable because they are tied to real politics where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas Not only will all students see themselves reflected in the pages but they will come to understand that they too are strategic players in American politics with voices that matter Just like the Full version The Essentials edition is perfect for instructors who don t wish to cover the last three chapters on policy

Teaching U.S. History Diana Turk,Rachel Mattson,Terrie Epstein,Robert Cohen,2010-01-12 Teaching U S History offers an innovative approach to social studies teaching by connecting historians to real world social studies classrooms and social studies teachers In an unusual even unprecedented dialogue between scholars and practitioners this book weds historical theory and practice with social studies pedagogy Seven chapters are organized around key US History eras and events from the time of slavery through the Civil Rights Movement and are complemented by detailed discussions of a particular methodological approach including primary source analysis oral history and more Interviews with historians open each chapter to bring the reader into important conversations about the most cutting edge issues in U S history today and are followed by essays from expert teachers on the rewards and challenges of implementing these topics in the classroom Each chapter also includes a wealth of practical resources including suggested key documents or artifacts a lesson plan for middle school and another suitable for high school and suggested readings and questions for further study Teaching U S History is a must read for any aspiring or current teacher who wants to think critically about how to teach U S history and make historical discussions come alive in the school classrooms where the nation s students learn

Reader's Guide to American History Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized

monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Unto a Good Land David Edwin Harrell, John B. Boles, Sally Foreman Griffith, 2005-08-04 *Unto a Good Land* offers a distinctive narrative history of the American people from the first contacts between Europeans and North America's native inhabitants through the creation of a modern nation to the standing of the United States as a world power Written by a team of distinguished historians led by David Edwin Harrell Jr and Edwin S Gaustad this textbook shows how grasping the uniqueness of the American experiment depends on understanding the role of religion as well as social cultural political and economic factors in shaping U S history A common shortcoming of most United States history textbooks is that while in recent decades they have expanded their coverage of social and cultural history they still tend to shortchange the role of religious ideas practices and movements in the American past *Unto a Good Land* addresses this shortcoming in a balanced way The authors recognize that religion is only one of many factors that have influenced our past one however that has often been neglected in textbook accounts This volume gives religion its appropriate place in the story Unprecedented coverage of the forces that have shaped the history of the United States While none of America's rich history is left out this volume is the first U S history textbook to give serious attention to the religious dimension of American life This textbook is not a religious history instead it offers an account of American history that includes religious ideas practices and movements whenever they played a shaping role Comprehensive and current This volume traces the American story from the earliest encounters between the first North American inhabitants and Europeans through the 2004 presidential election Complete and balanced treatment is also given to issues of gender race and ethnicity as well as cultural political and economic forces A clear and compelling narrative The authors are more than expert historians they are also talented writers who recognize history to be the retelling of human life United by a seamless narrative structure these chapters restore the history to history Multiple formats specially designed for flexible classroom use *Unto a Good Land* is available as a single hardcover edition or as two paperback volumes offering maximum flexibility when adapting curriculum for one and two semester courses in U S history The two paperback volumes can be used for U S history survey courses divided at 1865 or 1900 or at any date in between Informative special features to complement the text In addition to the book's exceptional narrative an array of special features enhances the instructional value of the text and points students to resources for further study Includes assistance for teaching and test preparation The instructor's manual for *Unto a Good Land* provides helpful suggestions for lesson plans and assignments and the test bank provides multiple choice and essay questions for use as study aids quizzes or tests Suitable for instruction at both secular and religious colleges and universities Drawing on their experience in both secular and religious schools the authors have ensured that this textbook is suitable for U S history classes in a wide variety of settings
