Greg Campbell Accident Report:

The Trouble with Reporting Northern Ireland David Butler,1995 This text investigates the troubled relationship between British broadcasting and Northern Ireland The work combines historical sociological and cultural studies approaches to the study of Northern Ireland with critically informed analysis of nonfictional coverage of the conflict It considers the peculiar institutional development of local radio and television in the context of a long term view of consensus broadcasting in the state in Britain demonstrating how in the years since 1968 the reporting of Northern Ireland has adversely affected the traditionally independent position of British broadcasting
