**The Grey God** Lizzy Ford, 2012 The Grey God Darian can't quite shake off the dark streak remaining after the thousands of years he spent enslaved by evil or the memory of how the only woman he loved betrayed him. When given a second chance at life and love Darian struggles to leave his past behind before it destroys his future. The warrior destined to become his mate Jenn is accustomed to fighting and defeating dangerous men. But Darian isn't just another powerful man; he's immune to her mind-reading talent and completely unpredictable—a trait sure to get anyone near him killed. Jenn feels trapped between the wild god and his enemies who learn her fate long before Darian does. Rather than embrace her destiny at his side, Jenn defies it in an attempt to protect him and her own heart. *The Grey God* Lizzy Ford, 2012-07-14 The Grey God Darian can't quite shake off the dark streak remaining after the thousands of years he spent enslaved by evil or the memory of how the only woman he loved betrayed him. *The Black God (#2, Damian Eternal)* Lizzy Ford, 2015-06-02 Jonny Rodriguez ascended to his position as the Black God mere days after learning he was a Natural—a human with supernatural abilities. He gave up all thoughts of a normal life as well as his humanity to lead the ongoing struggle between the vampires he commands and the Guardians, the immortals charged with protecting humans. Six grueling years later, he's managed to reconcile who he is and what he must do to maintain order and control. However, the old guard in his vamp army resents the changes he's made as part of a truce with the White God. Jonny's army splinters in two, and the old guard tries to rekindle the war between vamps and Guardians. Jonny has little time to crush the rebellion before any chance at coexistence with humanity is gone. When a vigilante disables his ability to track the rogue vamps, he's forced to confront a face from his past, one he's never truly forgotten. His first love, Ashley, is everything he doesn't need in his life. She's reckless, stubborn, and strong—a Natural whose warrior abilities are unmatched. Worse, she's the adopted daughter of Xander, the Original Vamp, who Jonny needs on his side to keep the Guardians from attacking until he has his house in order. With civil war looming, a furious White God at his doorstep, and dwindling allies, Jonny can't ignore his lingering feelings for Ashley and walks away or tries to. When Ashley's life falls into Jonny's hands, he's forced to realize that sometimes love runs deeper than blood. **Damian's Assassin** Lizzy

Ford, 2011-02-18 *The Door* Lizzy Ford, 2016-02 There's only one rule: Never lock the door. Gianna believes manual labor to be penance for the mistake that changed her life. Nothing can be worse than serving probation under the supervision of a bitter elderly woman known as the Caretaker, running a bed and breakfast in the middle of the Arizona desert. Then the

strangers begin arriving They appear every night at sundown at the end of the driveway and vanish early in the morning armed men and women who don't quite look or act normal and never travel in vehicles despite the property being twenty miles from town Where they come from baffles Gianna as does the single rule the Caretaker gives her The front door must remain unlocked and the house accessible to the dangerous visitors no matter how unusual or frightening they are When one of them arrives wounded Gianna helps save him and unknowingly makes a powerful friend one from a very faraway place In fact from another world entirely the world that starts at the end of the driveway Before she can learn more Gianna is left alone with the strangers and must choose whether she'll take over the Caretaker's role as hostess or return to New York and risk jail time for violating her probation Gianna defies the Caretaker and locks the front door instead Her world will never be the same Includes both novellas     The Witchling Series Lizzy Ford,2017     **Xander's Chance (#1, Damian Eternal)**

Lizzy Ford,2013-03-20 As the single most powerful vampire on the planet Xander is the ultimate bored predator with too much time on his hands He manipulates the minds of immortals for fun and bullies around the Gods while guarding the secret source of his power a crystal that can wipe out the planet But beneath the surface he's a shrewd creature who learned the brutal lesson of why there must be a balance between good and evil An unwilling protector of the playthings known as humans he knows when and where to use his power and never to let anyone close enough to betray him It's easy to do since he has the power to read the minds of everyone around him Except for one Jessi an innocent looking woman with an unusual talent who shows up unexpectedly in his life Her sudden appearance is too convenient to be coincidence or chance Xander determines quickly that she was sent by someone but he can't read her mind to discover why Jessi's secret and Xander's have the power to forever change the human world Intrigued by a new sort of challenge Xander won't know how much danger he's in until he's placed his fate in the hands of a woman whose betrayal will cost either his heart or his life     **Damian's**
