Honda Civic Overheating Problem:

A Father's Collage Dr John P Glaser, PH.D.,2005-04 My children have filled a scrapbook of memories Memories that are very similar to perhaps duplicates of the memories held by millions of fathers Undistinguished common memories that yet are priceless These memories are largely fond ones Conversations attempts to change hair color soccer games skiing and holidays But not all of the memories bring smiles Arguments over curfews sickness and futile efforts to fix something wrong Some memories are of anger concern and worry These memories form a collage A collage that has no obvious coherence or obvious messages These memories do not portray complex lives gripping struggles nobility of purpose or exotic settings But a fellow father looking at my collage might recognize my memories as much like his own And he and I looking at our almost identical collages would smile at our art and share our good fortune that our collages have so many pictures
