Hungry For Love

Judy Davoust Ph.D.

Hungry For Love:

Love Anthony Walsh, 2017-07-05 Love is a little word with a universe of meanings and has engaged people's interest throughout human history. The need to give and receive love lies deep within human nature. Philosophers, poets, theologians, sociologists, and scientists have all attempted to explain its exact origin, but is it an evolutionary adaptation or a social construct? Walsh discusses that the nature of and need for love has biological origins. He draws upon Darwin's sexual selection theory to define the perceptions of love by infants through the process of experience-dependent brain wiring. He observes that mother love makes a child capable of loving and that father love makes a child feel worthy of love. He appraises the origin and purpose of romantic love in his discussions on sexual reproduction by looking at chemical and neurological responses to love and the influence of love on one's physical and mental health. With frequent quotes from literary masters like Shakespeare to orient one's scientific and humanistic understanding of love, Walsh goes on to explore various styles of romantic love including monogamy, promiscuity, bartering love, and betrayed love, the effects of a skewed sex ratio on dating and mating practices, and the age-old quest for a perfect society populated by perfect people obeying the biblical command to love one another.

RESA **Love and Politics** Jeffery L. Nicholas, 2021-06-07 In *Love and Politics* Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers. Eros in contrast is an overflowing of acting into new realities and new beauties, a world in which human beings extend their powers and senses. Nicholas uniquely interprets Alasdair MacIntyre's Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value. However, this account cannot address alienation in the form of the oppression of women or people of color. Importantly, it fails to acknowledge the domination of nature that blackens the heart of alienated life. Alienation must be seen as a separation of the human from nature. Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature, then to reconstruct the essential elements of Aristotle's metaphysics to defend a philosophical anthropology based on Eros. *Love and Politics: Persistent Human Desires as a Foundation for Liberation* presents a critical theory that synthesizes MacIntyre's Revolutionary Aristotelianism, Frankfurt School Critical Theory, and Social Reproduction Theory. It will be of great interest to political theorists and philosophers. Pèace De Résistance

Immanuel Garcia, 2017-04-04 A poetry haven of work, heavy dust. The finest runts of some linguistic psyche. Spoken word and slam poetry lovers of all shades listen to the sounds of a poet finding the closest words he could snatch while in some form of young buck peril. The following are observational bits of word graffiti that speak out on what feels ripe for commentary. These poems are for those worth admiring and despising. They are of a rather quick to dissect nature but perhaps it is their immaturity that tells a more honest story. These words are worthy every fault and insecurity and just enough to quite possibly conquer the likes of some overwhelmingly parched soul. Being in Love

Judith Pickering, 2014-02-25 Finding true love is a journey of transformation obstructed by numerous psychological obstacles. *Being in Love* expands the traditional field of psychoanalytic couple therapy and explores therapeutic methods of working through the obstacles leading to true love. Becoming who we are is an inherently relational journey; we uncover our truest nature and become most authentically real through the difficult and fearful yet transformative intersubjective crucibles of our intimate relationships. In this book, Judith Pickering draws comparisons between Bion's concept of becoming in O and being in love. She searches for pathways that lead away from relational confusion towards the discovery of genuine transformational relationships and works towards finding better ways of relating to one another. This is achieved by encouraging couples to enjoy the actual presence, humanity, otherness, and particularity of each other rather than expecting a partner to conform to our own expectations, projections, desires, and presuppositions. Pickering draws on clinical material, contemporary psychoanalysis, cultural themes from the worlds of mythology and literature, and a wealth of therapeutic techniques in this fresh approach to couple therapy. *Being in Love* will therefore interest students and practitioners of psychoanalysis, psychology, and couple therapy, as well as all of those seeking to be more authentic in their relationships. **Miss Morgan's Love Returns**

Aurora Klimanoski, 2013-09-19 *Miss Morgan's love returns*. Are you one of those people who have been taught to always do what was good for the family?

Everything you do is a reflection on your family from the way you dress how you act in public those you hang around with to what you choose to do in life It can all be suffocating That's was the world Jacqueline Morgan was brought up in For years she had been the perfect daughter doing everything she was told without making waves or even a ripple of trouble that would have disappointed her parents She couldn't she was the chosen daughter to take over the family business when it was time She envied her little sister and the freedom she had to live her life with carefree adventures More than anything Jacqui wanted to experience a little freedom herself before devoting her life to the family business She gathered all her courage the summer before she was going to enter college and plead with her father to let her have a few weeks to blow off some steam On her first day of freedom Jacqui found herself standing on a dock letting the warm ocean wind blow through her hair and she was happier than she had been in years That was also the first time she laid eyes on Azmyth He was unlike any of the boys she knew in her life He was handsome in a rugged way and full of life and passion not stuffy and extremely controlled and held down by responsibilities Azmyth was on vacation at his cousins and enjoying some afternoon fishing when Jacqui stepped out on the pier and stole his attention He never saw anyone as beautiful as she was and instantly wanted to get to know her better so he asked her out In the days that followed Jacqui and Azmyth met for afternoon dates bringing them even closer She really liked him and felt a very strong connection with him unlike anything she ever felt before Jacqui didn't let anyone know what she was doing not even her sister because she knew that her father wouldn't approve of Azmyth That alone seemed to heighten her need to explore the relationship further She was experiences all kinds of adventures with Azmyth including her first kiss that made heat flood her body and her toes curl in her shoes It didn't take long for Jacqui to fall head over heels for him Things heated up quickly between the young couple and Jacqui decided she wanted to experience a deeper intimacy before she went off to college and she wanted it to be with Azmyth It was a night she would never forget and for more than the magical time she had with Azmyth When she got home that night the magic ended and disaster hit Her parents came home early and discover her sneaking back into her bed room and all hell broke loose Her perfect night ended in her being torn away from Azmyth forever with no way of contacting him to explain what had happened Eleven years passed and Jacqui had become a driving force in the family business She works all the time and rarely takes time to enjoy life's little pleasures and relax A fact that has her sister and friends afraid that she will burn herself out and they gang up on her insisting she joins them on vacation Jacqui is hesitant to join them after all the last time she indulged in fun and freedom everything in her life had come crashing down on her When the group of friends arrived on the private island Jacqui changes her mind about having a good time and begins to relax Then as if fate decided to torture her the one person she never thought she would see again but had haunted her more intimate dreams walks into the bar her and her friends were at Just laying eyes on Azmyth again after so many years Jacqui's pulse started to race Even in her wildest dreams she never pictured that he would look even more gorgeous than she remembered Jacqui and Azmyth reunion isn't what he expected it would be

when he first saw him walking towards him She's different from the girl he once knew but still kind of the same and the spark
