

Incoming 7th Grade Summer Math Packet

Students Entering 7th Grade

Students who just completed 6th grade are being assigned a math packet for over the summer to make sure important content is retained. Mastery of all these skills is extremely important in order to develop a solid math foundation. Each year builds upon the previous year's skill in math. This packet contains problems that reinforce math skills learned this year and skills that will be needed for 7th grade. The skills chosen for the students to practice are based on data taken at the end of the school year. It is crucial that the student's completely work to the best of their ability to master these skills before entering seventh grade.

Students should feel free to google search different skills (indicated on each page) in order to find more practice or additional explanations. Khan Academy is an extremely useful website to find tutorials on various skills, along with practice problems.

Please note that it is expected that you enter 7th grade with fluency on all math operations from 6th grade.

Fluency with times tables will be tested the first week of school. If you need drill sheets or multiplication facts, feel free to use Khan Academy or contact ***** and we will arrange for you to pick some up. or google search and print some out. In addition with..... PRACTICE, PRACTICE, PRACTICE!!

This Math Summer packet must be returned to ***** on the first day of school. It will count as a project grade for Math/History 1, and we will review the material during the first two weeks of school.

Should you need additional help or resources, please feel free to contact *****. I will be available during the summer.

Thank you
