**On Purpose** Karen James, 2015-05-18 A witty insightful guide to rediscovering Purpose and leading like you mean it On Purpose is a modern day business book for those who want to steer their work and life back on course When your head and heart connect in both our humanity becomes the hero in the story Shed the mediocrity that comes from halfhearted decision making and rediscover your PLOT Purpose Leadership Operations and Technology as you learn to live and lead with purpose This insightful guide provides a framework for re evaluating your direction then stepping back and re aiming the ship It starts with a fable that illustrates just how businesses lose their PLOT every day then digs down to the nitty gritty to give you the actionable steps and practical advice you need to climb out of the rut Deliberately ironic and witty this book presents a fun but informative read that is anything but cynical You ll learn from the author s own successes using PLOT in her career as she turned a 9M business into a 100M business and went on to drive international and domestic philanthropic ventures and leadership training programmes PLOT will become the most practical four letter word you ll ever use This book shows you how a simple framework can become the turnaround your organisation and life so desperately need Get your work on target Shift engagement methods for better results Leverage technology into a purposeful tool Get up and act You may already have a

documented vision and mission statement but that's no longer sufficient. You need to act and lead with purpose every day in every decision you make. You need to recognise and utilise good people and tools and redefine your goals to make them worth striving for. *On Purpose* shows you how and gives you the practical, tested guidance you need to start moving in the right direction. *Doing Action Research* Claire Taylor, Min Wilkie, Judith Baser, 2006-09-18. The clear intention of the authors is to motivate, persuade and give confidence to those who might otherwise think that research can only be carried out by teams of university staff.

*ESCalate Most Teaching Assistants* TAs studying for Foundation Degrees need to do Action Research projects. This book acts as an introduction to research methods and will be especially useful if you are doing such work for the first time. It introduces the basic principles and practice of research methods, provides an overview of the processes involved in Action Research, shows you how to identify an issue, design and carry out a course of action and evaluate the impact of this action, uses real case studies from practising TAs. The content of the book relates to both Early Years and Primary settings and there are case studies from a variety of settings. Anyone studying for a Foundation Degree or working towards HLTA status will find this book meets their needs. Claire Taylor is Programme Leader for the Foundation Degree at Bishop Grosseteste College, Lincoln. Min Wilkie is Programme Leader for the Foundation Degree in Educational Studies for Teaching Assistants at the University of Leicester. Judith Baser has worked in a wide range of educational settings including 5 years as a teaching assistant. More recently she has run training courses for teaching assistants in ways to support children's learning and development.

**Management Communication** Arthur H. Bell, Dayle M. Smith, 2009-12-30. Finally business professionals will be able to learn how to communicate effectively. This book builds the essential writing, speaking and listening skills needed to succeed. An entire section is devoted to helping non-native speakers of English in their efforts to produce readable, well-edited work. It includes Communication Dilemmas boxes that pose interesting real-life communication choices and challenges. Six brief interviews with real communication experts are presented that explore a variety of different corporate environments. New sections are also included on social networking, communications and the electronic career search. Business professionals will discover how to apply newly acquired communication skills throughout their careers.
