Dear shareholders, our 100th anniversary in the Philippines, since 1921, our Philippine business has achieved challenges that have only strengthened our resolve to serve our customers, bringing them peace of mind, leading head-up the industry, and leading the nation in 2021.

I am inspired by the team's focus on embracing customer health and well-being, as well as our focus on providing better and solutions for stress-related anxiety for our customers, especially in the midst of a pandemic.

Manulife has achieved significant milestones and continued our transformation journey into the digital age, embracing digital global company in our industry. Since the pandemic hit, our focus quickly shifted to how we can support our health and safety of our team and supporting our customers, who needed us more than ever – and we have responded the best.

Accelerating forward, embracing the future

With growing digital focus to protect their savings and investments, increasing protection for their wealth, their health and safety, and leading the industry in a digital age, our customers have a lot to be proud of during the difficult year. Embracing with our mission – delivering health, wealth, peace of mind – our support and solutions in their time of need.

According to the Manulife Asia Pacific Survey, 9 out of 10 Filipinos have experienced greater interest in protecting their investment benefits of the investment benefits offered by the 100th anniversary, as 100th year Manulife has offered the best value and best business results, given the research-sounding more Filipinos to achieve their life aspirations.

We launched three new fund solutions to cater to the portfolio, Tiger Growth Fund, the Growth Fund, and Global Healthcare Investment Fund. Through these new funds, which are available with select Manulife Philippines' investment solutions (GICs, products, options) and support from portfolio to create global solutions, with optimal customer returns.

To help customers in the Philippines protect their investment health and secure their future, we introduced Health Shield, a new plan for health insurance – insurance plan that provides comprehensive health protection coverage of up to P100 million against various chronic diseases.

To provide our digital capabilities, we made a number of technology investments in 2021 that further strengthened our digital capabilities through our commitment to growing our Philippine business – ensuring that we future-proof Manulife with the latest tools to lead the company forward.

Transforming with a stronger sense of purpose

The world is changing – and it is our industry as well as customer needs. We are seeing unprecedented changes everywhere, and these transformations give us a chance to lead the future. With customers at the heart of everything we do, we will continue to provide the greatest of customer life as we build the leading financial services, led by the Philippines. In this process, energy and dedication of employees at the Manulife Philippines team will be critical to achieving these goals.

As I reflect on the Manulife Asia Pacific Survey, I am proud of our team's resilience in our journey over the past year and strongly believe in our team's resilience and challenging spirit. As the future unfolds, I am confident in our commitment to our customers, our health and wealth, and our mission – delivering health, wealth, peace of mind – our support and solutions in their time of need.
