Eli's Story Meri-Jane Rochelson, 2018-08-06 Biography of a Jewish doctor who survived and triumphed over the horrors of the Holocaust Eli's Story A Twentieth Century Jewish Life is first and foremost a biography Its subject is Eli G Rochelson MD 1907 1984 author Meri Jane Rochelson's father At its core is Eli's story in his own words taken from an interview he did with his son Burt Rochelson in the mid 1970s The book tells the story of a man whose life and memory spanned two world wars several migrations an educational odyssey the massive upheaval of the Holocaust and finally a frustrating yet ultimately successful effort to restore his professional credentials and identity as well as reestablish family life Eli's Story contains a mostly chronological narration that embeds the story in the context of further research It begins with Eli's earliest memories of childhood in Kovno and ends with his death his legacy and the author's own unanswered questions that are as much a part of Eli's story as his own words The narrative is illuminated and expanded through Eli's personal archive of papers letters and photographs as well as research in institutional archives libraries and personal interviews Rochelson covers Eli's family's relocation to southern Russia his education military service and first marriage after he returned to Kovno his and his family's experiences in the Dachau Stutthof and Auschwitz concentration camps including the deaths of his wife and child his postwar experience in the Landsberg Displaced Persons DP camp and his immigration to the United States where he determinedly restored his medical credentials and started a new family Rochelson recognizes that both the effort of reconstructing events and the reality of having personal accounts that confirm and also differ from each other in detail make the process of gap filling itself a kind of fiction an attempt to shape the incompleteness that is inherent to the story In the epilogue the author reminds readers that the stories of lives don't have clear chronologies They go off in many directions and in some ways they never end An earlier reviewer said of the book Eli's Story combines the care of a scholar with the care of a daughter Both scholars and general readers interested in Holocaust narratives will be moved by this monograph

Desert Gothic Don Waters, 2007-09-01 This powerful debut collection set in the light filled deserts of Nevada and Arizona introduces a darkly inventive new voice Like an early Richard Ford Don Waters writes with skill empathy and an edgy wit of worlds not often celebrated in contemporary literature Set in bars mortuaries nursing homes truck stops and the poverty motels that encircled downtown's casino corridor Waters's ten stories are full of misfit transients like Julian a crematorium worker who decorates abandoned urns to create a lush underground island and the instant Mormon missionary Eli a hapless divorcé who always likes people better when they're a little broken
