Tracking Classical Monsters in Popular Culture Liz Gloyn,2019-10-31 What is it about ancient monsters that popular culture still finds so enthralling Why do the monsters of antiquity continue to stride across the modern world In this book the first in depth study of how post classical societies use the creatures from ancient myth Liz Gloyn reveals the trends behind how we have used monsters since the 1950s to the present day and considers why they have remained such a powerful presence in our shared cultural imagination She presents a new model for interpreting the extraordinary vitality that
