Elmer The Elephant Topic:

Inclusion, Diversity, and Intercultural Dialogue in Young People's Philosophical Inquiry Ching-Ching Lin, Lavina Sequeira, 2017-07-20 The ever shifting cultural and linguistic landscapes in contemporary societies create new urgency for an intersectional thematic study of diversity philosophy and education As educators how do we transform the vision of cultural and linguistic diversity into a wealth of resources for learning How do we actively engage cultural and linguistic diversities in philosophical inquiry with young people How do we translate the philosophical notion of cultural and linguistic diversity into pedagogical practices The chapters in this book respond to the task of teaching philosophy in the context of increased mobility in the new global reality By complicating the situated and fluid nature of contemporary classrooms this book challenges the normalizing tendency often associated with philosophy education Each chapter offers a unique perspective in understanding the profound embeddedness of philosophy education in broader sociocultural contexts and prioritizes diversity in the classroom community of inquiry By carefully incorporating a broad range of theoretical perspectives and empirical research this book provides a rich resource for school teachers and educators who wish to engage diverse learners in philosophical inquiry In doing so it reaffirms the value of philosophy education as a proactive approach to democratic education

Animal Pursuits Richard J. Atkinson, 2012-11-16 The book is a fantasy about animals containing a lot of trivia facts fantasy and a myriad of pun aspects of the animals What might happen if after the destruction of the human race animals took over This is a tale about the malicious murder of a few animals and the resulting chase arrest and prosecution of the perpetrators It is told by an elephant to his grand calves The story covers the murder and the investigation by Chief Inspector Bobby Bloodhound and his renowned team of detectives They investigate the ant colonies the beehives the ocean the bird sanctuary the farm and the wild jungle There is a chase a capture and a court case to follow Many human comparisons can be made from the behavior and actions of the animals involved

Cook-Gumperz, 2006-08-17 Literacy the ability to produce and interpret written text has long been viewed as the basis of all school achievement a measure of success that defines both an educated person and an educable one In this volume a team of leading experts raise questions central to the acquisition of literacy Why do children with similar classroom experiences show different levels of educational achievement And why do these differences in literacy and ultimately employability persist By looking critically at the western view of a literate person the authors present a perspective on literary acquisition viewing it as a socially constructed skill whereby children must acquire discourse strategies that are socially approved This extensively revised second edition contains an updated introduction and bibliography This volume will continue to have far reaching implications for educational theory and practice **100 Ideas for Secondary Teachers: Teaching Philosophy and**

Ethics John L. Taylor, 2014-11-20 No matter what you teach there is a 100 Ideas title for you The 100 Ideas series offers teachers practical easy to implement strategies and activities for the classroom Each author is an expert in their field and is passionate about sharing best practice with their peers Each title includes at least ten additional extra creative Bonus Ideas that won't fail to inspire and engage all learners _____ How do you teach a subject that has no right answers

Philosophical and ethical concepts can be overwhelming to students who have not encountered them before and complex arguments can be difficult to navigate John L Taylor's book will help you to engage your class and have them reading writing talking and thinking philosophically Starting with introductory ideas such as a guided tour of philosophy land the book moves on to ideas for stimulating and managing student discussions and debates guidance for effective research and methods to support students with their essays presentations and projects There are also tips for getting the best out of quieter students and ideas for taking philosophy beyond the classroom Hashtags and websites providing resources to enliven your classes are included throughout the book Thinking Through Stories Thomas E. Wartenberg, 2022-02-20 This book provides

justification and instruction for exploring philosophy with children especially by using picture books to initiate philosophical discussion By demonstrating to teachers and others that picture books often embed philosophical issues into their narratives and that this makes picture books a natural place to go to help young children investigate philosophical issues the author offers a straightforward approach to engaging young students In particular this volume highlights how philosophical dialogue

enhances children s sense of self provides a safe space for the discussion of issues that they are confronted with in living
their lives and develops an admirable method for resolving conflict that the children can use in other contexts **Topics**
